From the Cincinnati Commercial A POISONER OF CHILDREN.

Assenic in Candy! Two Deaths and Twenty Children Poisoned !- The community has bardly been allowed breating ence now. An operator is stationed in the pomeroy, Dr. J. W. Wallace, and the murderer of Lociner, before we are holds its sessions, and a series of dispatches. The inst., and organized by appointing J. holds its sessions, and a series of dispatches. We yand of Beaver, Chairman, and J. W. We yand of Beaver, Chairman, and J. W. munity has bardly been allowed breathing the murderer of Lociner, before we are again called upon to recount a deed which n bellish iniquity briggers description, and throws the degendary poisonings of the its course. The Kansas Nebraska bill is to Borgias in the shade.

Wednesday atternoon, between the hours of two and four, a couple of boys, apparently from fourteen to sixteen years of age. The price of niggers is still advancing were observed sauntering up Buckeye street, a densely populated German neighborhood, scattering small lozenges upon the sidewalk, about the size of perpermint drops. In another part of the street, a rather ro-In another part of the street, a rather to bust looking man, dreat in a black coat, bust looking man, dreat looking man, drea thus gratuitously thrown in their way. iah Rynders is to be promoted to the com-Occasionally the man would give a package to persons he met, but in these instances the parties declined tasting, suspecting something wrong wrong. Not so, however, with the unsuspecting children, who greed-

with violent vomiting.
The neighborhood became speedily alarmed, and Drs. Smith, Davis and Fries were summoned, who speedily detected the action of poison, and upon a chemist in the neighborhood, Mr. Eckel, annalizing the lozenge, it was found to be composed of equal parts of areenic, sugar and flour In the track which the man, or rather monster, had taken, as many as 1500 of these death dealing drops were found in one pile. and in another spot one-fourth pound of arsenic found tied in a couple of parcels.

The neighborhood became fearfully excited, for at least twenty children had more or less partaken of the insidious poison The first victom was a fine little boy named the evening. We were present when the Correner held his inquest, and a more melancholy sight it has hardly been our lot to witness. The mother of the dead child had a few days previous been confined, and from the President as a reward for the this decision, we also feel willing now as in the same room, her eldest born lay a in the same room, her edgest born lay a past and a pledge for the future. Such ever to array ourselv stiff and rigid corse, while the new born are some of the tokens of peace which principles it dee'res. infant sought in vain for nourishment from the maternal breast, the fount of which sudden grief and agony had dried. Her two children had also partaken of the poisoned drops and lay sick in the same room, but they were pronounced out of danger.

street, another promising child, named to vote for or against certain amendments street, another premising sented, named to vote in a same to the constitution of Pennsylvania, which batton of this conference, not only because night is said to have breathed his last; and were adopted by two successive annual leat the time we visited the possened district gislatures, pursuant to the form required but also that it takes from unprincipled some four or five other children; male and by the Constitution itself, and now only and unscrupulous men a part of the power female, were supposed to be in a very criticale, the popular approval to become part of they possessed and used for the nursuand of the the nursuand cal condition. We heard also that several the great charter of the commonwealth, fattening themselves and favorites, upon cases had occurred on Fifteenth, between These proposed amendments are four in the carnings of the yeomany and tolling per day.
