WHY DO YOU SUFFER?

Use Kaiser's

CELEBRATED GERMAN ARNICA

OINTMENT

A never failing remedy for Inflammatory and Chronic Rheumatism, sprains, pains, bruises, pain in the back, stiffness or numbness of the limbs, or weakness in the joints, swellings, sore throat, burns, scalds, cuts, old sores, frosted feet, neuralgic affections, &c., and in fact for all diseases which require an external application; as such it has no equal. The numerous remarkable cures effected by the use of the German Arnica Ointment, and the large and constantly increasing demand for the same, has led the Proprietors to bring this invaluable remedy before the public, and take pleasure in recommending it to the afflicted.

Wm. Plate, of Bridgewater, Pa., writes to us: I have used Kaiser's Celebrated German Arnica Ointment for a very severe bruise, and it has effected an immediate cure; therefore, I feel it my duty to recommend this Ointment to all similarly afflicted. WM. PLATE.

Watches, Clocks and Jewelry.

I WOULD most respectfully give notice to the citizens of Bridgewater, Beaver, Rochester and vicinity, that I have received a new stock of Watches, Clocks, Jewelry &c., which I can sell lower than can be had in Pittsburgh. It is but reasonable to say that goods can be sold lower here than in the large cities; our rent is less, and our living is less. I only ask you to call and I will try and sell the goods.

Particular attention paid to repairing Watches, Clocks and Jewelry; old Gold and Silver taken in exchange for goods or work. Remember the place; sign of the Big Watch, No. 2, Stewart's Row, Bridgewater. WM. PLATE.

BEAVER MACHINE WORKS.

Childs, M'Connell and Darraghs,

FOUNDERS

AND

STEAM ENGINE BUILDERS

Fallston, Beaver County, Pa.

WE respectfully call attention to the inducements offered for purchasing Engines and Machinery mentioned below. We have purchased the right to make and sell the

PATENT OSCILLATING ENGINE

of Messrs. Cridge & Wadsworth, and are now engaged in the manufacture of them at the lowest possible rates, which is about twenty-five per cent lower than the Slide Valve Engine. Their simplicity and durability, combined with their cheapness, and almost utter impossibility to get out of order, renders them the most desirable Engine to have.

The following is a list of the different kinds of Machinery which we have made. Persons wishing to procure anything of the kind, will do well to give us a call before purchasing elsewhere.

Double Slide Valve Reciprocating Engines, the same as manufactured at Salem, Ohio; Oscillating Engines, Cridge & Wadsworth's Patent; Tub and Bucket Machinery; Flour Barrel and Nail Keg Machinery; Planing Machines; Cylinder or Barrel-Saws; Fire Brick and Clay Rollers; Starch Rollers, Pipes and Castings for extracting Oil from Canuel Coal; Flouring Mill Gearing; Pullies and Shafting; Mulry, Sash, and Circular Saw Mills; Lath Machinery, &c., besides numerous other Machines which it is not necessary to enumerate.

We might add a long list of certificates, but deem any but the following unnecessary.

ECONOMY, December 24th, 1856.

MESSRS. CRIDGE, WADSWORTH & Co. Gentlemen:—We hereby certify that we have had one of your Oscillating Engines in use for nearly four months, and that it gives satisfaction in every respect. Its principal advantages over the common Engine are—

1st. Its simplicity, and the consequent facility to keep it in good order.

2d. It takes up much less room.

3d. It requires less pressure of steam to do the same amount of work; and is, therefore, worked with less danger and less fuel.

Respectfully yours,

R. L. BAKER

JACOB HENRICI,

Trustees

On the premises there is a Flouring Mill in operation with one pair of excellent burrs, and one pair of choppers, and a Saw Mill which is somewhat out of order, the whole having a good water power of 22 to 24 feet, head and fall, with a dam not over 6 feet high, the distance from the dam to the Mill house not exceeding 40 feet.—The other improvements are one frame house and kitchen, and one log house, each having a stable and a well of water convenient. Title good.

AYER'S PILLS,

NEW and universally successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Inflammation, Rheumatism, Piles, Inflammation, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c. &c. Indeed, nearly all the diseases in which a Purgative Medicine is required, and much sickness and suffering might be prevented, if a harmless but effectual cathartic were more freely used. A person can feel well while a costive habit of body prevails, besides it soon generates serious and dangerous diseases, which might have been avoided by timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and bilious derangements. They all tend to locate or confirm the deep seated and formidable disorders that afflict the human frame, and most the land. Hence a purgative family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, even by the most enlightened by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills we may mention

Dr. A. A. HAYES, Analytical Chemist, of Boston, and State Assayer of Massachusetts, whose high professional character is a sufficient guarantee for the purity, Rev. Edward Kennedy, Secretary of the U. S. Senate, Hon. Robert C. Winthrop, Ex-Speaker of the U. S. House of Representatives,

Abbott Lawrence, Minister Plen. to England,

† John B. Fitzpatrick, Catholic Bishop of Boston,

Also, Dr. J. R. Chilton, Practical Chemist, of New York City, endorsed by

Hon. W. L. Marcy, Secretary of State,

Wm. B. Astor, the richest man in America,

S. Leland & Co., Propr's of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is found in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded out of the drugs themselves, but of the medicinal virtues only of vegetable remedies. Extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. The system of composition for medicines has often found in these Cherry Pectoral and Pills both, to produce more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, even medicine is burdened with more or less of accompanying noxious qualities, by this each individual virtue only, that is required for the curative effect is present. As has been fully explained in the pamphlet, each substance employed, is deprived of its crude, indigestible and injurious properties, and only its curative virtues only being retained. Hence it is effected in the most concentrated form, and is proved more powerful antidote to disease than any other medicine known to the world.

As it is frequently required that many medicines should be taken under the direction of a physician, we have established agencies in all the principal towns of the country, where the necessary information can be had gratis, and the remedies procured. Physicians, Druggists and Practitioners in the United States, Canadas and the Provinces. It is worth the trial of every one who has not received the benefit he expected from the use of medicine. Let a fair trial be given, and if the patient is not benefited, he will be changed. Their life consists in their integrity. I have to myself.

The composition of my preparations is laid open to all men, and all who know them pronounce them the safest and surest remedies they know, and recommend them from their intrinsic merits. The Cherry Pectoral is pronounced by scientific men to be a wonderful medicine for its effects were known. Many eminent Physicians have declared the virtues of the Cherry Pills, and even in our own country, we have been able to certify that their qualities were made known to them and proved to their entire satisfaction.

They operate in their powerful manner upon the internal viscera to purify the blood and restore it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, by correcting wherever they exist, such derangements as are the first origin of disease.

Being sugar coated they are tasteless, and perfectly pleasant, so that children may take them freely, and their use in any quantity.

For minute directions, see wrapper on the box.

may 21 1857.

The Greatest Medical Discovery OF THE AGE.

Dr. KENNEDY, of Roxbury has discovered in one of our common pasture weeds a remedy that cures every kind of humor, from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach

Three to five bottles are warranted to cure the worst cases of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers,

One bottle will cure scaly eruption of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure he most desperate use of rheumatism.

Two or three bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benifit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a desease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

DIRECTIONS—Adults one table spoonful per day—Children over ten years dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by

FULL OF HOPE TO THE AFFLICTED AND SUFFERING!

Many of the thousand portals of Death may be closed, and life made happier, and more comfortable to thousands who are now in danger. Doubtless this world contains many a balm to soothe its physical woes and cure its diseases. Among those in prominent rank, stands

BOWMAN'S VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as colds, coughs, quinsey, difficulty of breathing, bronchitis, Ministers' sore throat, weakness of the chest, asthma, inward ulcer, spitting of blood, influenza, croup, whooping-cough, pain in the breast and side, hoarseness, catarrh and catarrhal affections, inflammation of the lungs, bleeding of the lungs, and such like. But its superior excellence is seen and tested in the more advanced affections of the lungs. For the truth of the above statement and the efficiency of the preparations as an antidote, we refer the public to the following testimonials.

Language is scarcely strong enough to tell the great power of this

WONDERFUL DISCOVERY!

The doubting may try and be convinced.

The Proprietors point to the following bona fide certificates with confidence on the community; they are but samples of the many hundreds of testimonials in our possession.

Philadelphia, Aug. 15, 1856.—Last spring, while in Pittsburgh, I had a bad cold and cough, which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking, and found relief almost immediately. I had taken many things for cough and hoarseness, but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is out, and cheerfully recommend it to the public. THOS. H. STOCKTON.

Pastor 1st Prot. Meth. Church.

From Judge Vanhorn, of the District Court at Cincinnatia.

Cincinnati, May 4, 1856.—I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any permanent relief. It will cure. I recommend it to the public as an honest and efficient medicine, and will perform what it is published to do. W. VANHORN.

TO THE PUBLIC.

I have used Bowman's Vegetable Compound in my family, for coughs, colds and Ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.

REV. J. GASTON.

Pastor of the Clinton st. M. E. Church, Cincinnati.

June 10, 1856.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley.

I believe Bowman's Vegetable Compound to be the best remedy for Diseased Throat and Lungs, of the day. I have tested it and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public. Try it and you will be convinced of its superiority.

Cincinnati July 1856. Rev. J. B. FINLEY.

Hear what the celebrated Dr. Peck says:

New York, May 12, 1856.—I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for Throat and Lung complaints I ever got; and I recommend it to the public speaker and singer, as well as those afflicted with Lung diseases. J. T. PECK.

Hear what Dr. Benson, of Cincinnati, says: [Extract from a letter.]

"Bowman's Vegetable Compound contains a virtue which is not possessed by any other popular medicine in my knowledge. It does not only smoothe the disease, overs giving it only temporary relief (like most of patent medicines,) but it commences at the root of the disease, and performs a perfect cure.

G. W. BENSON, M. D.
