at the lowest possible price.

BEAVER MACHINE WORKS.
Childs, M'Connell and Darragh,
FOUNDERS
AND
STEAM ENGINE BUILDERS
Fullton, Beaver County, Pa.

WE respectfully call attention to the in-
crease of business and the demand for
Machinery mentioned below. We have pur-
chased the right to make and sell the
PATENT OSCILLATING ENGINE
of Messrs. Cridge & Wadsworth, and are now
engaged in the manufacture of them at the low-
est possible rates, which is about twenty-five
per cent lower than the Shile's Valve Engine.
Their simplicity and durability, combined with
their cheapness, and almost utter impossibility
to get out of order, renders them the most de-
sirable Engine to have.
The following is a list of the different kinds
of Machinery which we have made. Persons
wishing to procure any of the kind, will do
well to give us a call before purchasing else-
where.
Double Slide Valve Repeating Engines, the
same as manufactured at Salem, Ohio; On
oscillating Engines, Cridge & Wadsworth's Pat-
ent; Tub and Bucket Machinery; Flour Bar-
rel and Nail Keg Machinery; Planing Ma-
chine; and Cylinder of Barrel Saw; Fire Brick
and Clay rollers; Steam Engines; Water
Castings for extracting Oil from Cannel Coal;
Flouring Mill Gearing; Pulleys and Shafting;
Muley, Sash, and Circular Saw Mills; Lath
Machinery, &c., besides numerous other Ma-
chines which it is not possible to name.
We might add a long list of certificates, but
deem any but the following unnecessary.
Economy, December 24th, 1856.
Messrs. CARSON, WADSWORTH & Co., Genle-
man—We hereby certify that we have had one
of your Oscillating Engines in use for nearly
four months, and that it gives satisfaction in
every respect. Its principal advantages over
the common Engine are: 1st. Its simplicity,
2d. Its safety, and the consequent facility
to keep it in good order.
3d. It takes up much less room.
4d. It requires less pressure of steam to do
the same amount of work; and is, therefore,
worked with less danger and less fuel.
Respectfully yours,

AYER'S
PILLS.
FOR ALL THE PURPOSES OF A
FAMILY PHYSIC.

There has long existed a public demand for an
effective purgative pill which could be relied on as
safe and perfectly pure in its operation, and which
has been prepared to meet that demand, and an exten-
sive trial of the virtues has conclusively shown that
what success has been achieved by the use of any
of the other pills, has not been so general as in
this. It is easy to make a physical pill, but not easy to
make the best of all pills—one which should have
none of the objections, but all the advantages of
every other. This has been attempted here, and
with what success will respectfully submit to the
public decision. It is perfectly pure, and does not
injure the patient, but it almost every purgative
medicine is acrimonious and irritating to the bow-
els, and produces a violent inflammation of the
griping pain, and retulion in the system as to more
than counterbalance the good to be derived from
its use. They purify the blood, and are perfectly
safe, unless it arise from a previously existing ob-
struction or derangement in the bowels. Being purely
vegetable, no harm can arise from their use in any
quantity; but it is better that any medicine should
be taken judiciously. Minute directions for their
use in the several diseases to which they are ap-
plicable are given in the box. Among the compli-
cations which have been speedily cured by them, we
mention Jaundice, Indigestion, Languor and Loss of Ap-
petite, Lethargical Irritability, Bilious Headache,
Bilious Fever, Excess of Acid, Dropsy, &c. In fact,
in all the cases in which these are the conse-
quences of diseased action in the Liver. As an
important remedy for the cure of Hemorrhoids, Sciatica
and Scoury Colic with excesses of the bow-
els, and in all cases of Biliousness, Headache,
Ulcers and Incurable Constipation, they are
entirely new and highly recommended.
They have also produced some singularly suc-
cessful cures in Rheumatism, Gout, Dropsy, Gravel,
Erysipelas, Scald Head, Ringworm, Itch, &c. In the
Back, Stomach, and Side. They should be freely
taken in the spring of the year, to purify the blood,
and prevent the diseases of that season. An
occasional dose stimulates the stomach, and
keeps it in health, and restores the appetite
and vigor. They purify the blood, and by their
stimulant action on the circulatory system, re-
novate the strength of the bowels, and restore the
wasted energy of the system. Their use is
not necessary or dangerous, even though no
seasonal derangement exists; but neces-
sary dosing should never be discontinued, unless
when taken to excess. The tedious cases which
a physician is required cannot be enumerated here,
and every one who has used them in any quantity
is satisfied that the public will no longer
doubt what remedy to employ when in need of a
purgative, and will prefer this to any other, as
it is perfectly safe, and being purgative, no
harm can arise from their use in any quantity.
For minute directions see the box.

THE GREATEST MEDICAL DISCOVERY
OF THE AGE.
Dr. KENNEDY, of Roxbury has discovered in
one of our common pastures woods a remedy
that cures every kind of humors, from the worst
Scrofula down to a common pimple.
He has tried it in over 1100 cases, and never
failed except in two cases. (both under hu-
mor.) He has now in his possession over two
hundred certificates of his virtue, all within
twenty miles of Boston.
Two bottles warranted to cure a nursing
sore throat.
One to three bottles warranted to cure a
Pimple on the face.
Two or three bottles will clear the system of
Bills.
Two bottles are warranted to cure the w-
canker in the mouth and stomach.
Three to five bottles are warranted to cure
the worst cases of Erysipelas.
One to two bottles are warranted to cure all
humors in the eyes.
Two bottles are warranted to cure running of
the ears and blotches among the hair.
Four to six bottles are warranted to cure
corrupting running sores.
One bottle will cure any eruption of the skin.
Two or three bottles are warranted to cure
the worst case of ringworm.
Two to three bottles are warranted to cure
the most desperate case of rheumatism.
Two or three bottles are warranted to cure
the salt humor.
Five to eight bottles will cure the worst case
of Borsoletti.
A benefit is always experienced from the first
bottle, and a perfect cure is warranted when
the above quantity is taken.
Reader, I peddle over a thousand bottles of
this in the vicinity of Boston. The effect
of it on the skin is so true, and it will
extinguish fire, so sure will this cure humor. I
never sold a bottle of it but that said another
after trial it always speaks for itself. There
are two things about this herb that appear to me
surprising. First, it grows in our pastures, and in
some places quite plentiful, and yet its value has
never been known until I discovered it in 1846
—second, that it should cure all kinds of hu-
mor.
I give you some idea of the sudden rise
and great popularity of the discovery, I will state
that in April, 1853, I peddled it and sold about
sixty bottles per day. In April 1854, I sold over
one thousand bottles per day of it.
Some of the wholesale Druggists who have
been in business twenty and thirty years, say
that nothing in the annals of patent medicines
was ever like it. There is a universal praise of
it from all quarters.
In my own practice I always kept it strictly
for humors, but since its introduction as a gen-
eral family medicine, great and wonderful
virtues have been found in it that I never sus-
pected.
Several cases of epileptic fits—a disease which
was considered incurable, have been
cured by a few bottles. O, what a mercy it will
prove effectual in all cases of that awful malady
—there are not few who have seen more of it
than I have.
I know of several cases of Dropsy, all of them
aged people cured by it. For the various dis-
eases of the Liver, Sick Headache, Dyspepsia,
Asthma, Fever Ague, Pain in the Side, Dis-
eases of the Spine, and particularly in diseases
of the Kidneys, it has proved to be a most
valuable medicine, and yet it is so simple,
and can be taken by any body, and it does
more good than any medicine ever known.
No change of diet ever necessary—eat the
best you get and enough of it.
Directions.—Adults one table spoonful per
day. Children over ten years one desert spoonful.
Children from five to eight years, tea spoonful.
No directions can be applicable to all constitu-
tions, take sufficient to operate on the bowels
twice a day. Manufactured by
Dr. DONALD KENNEDY,
No 120, Water Street, Roxbury, Mass.
PRICE \$1.

WONDERFUL DISCOVERY!
The doubting may try and be convinced.
The Proprietors try to the following bona
fide certificates with confidence on the com-
munity: They are but samples of the many hun-
dreds of testimonials in its favor. Philadelphia,
Philadelphia, Aug. 15, 1856—Last spring
while in Pittsburgh, I had a bad cold and
cough, which troubled me much, and a friend
of mine gave me a bottle of Bowman's Vegeta-
ble Compound for my cough and cold. I took
the first dose, and the coughing and hoarseness
ceased. I commenced taking, and found
relief almost immediately. I had taken many
things for my cough and hoarseness, but never got
anything to help me as it has done. I believe
it to be the best medicine for my cough, and
soon as I got it, and cheerfully recommend it
to the public.
THOS. H. STOCKTON,
Pastor 1st Prot. Meth. Church.

From Judge Vanhorn, of the District Court
at Cincinnati:
Cincinnati, May 4, 1856.—I have used Bow-
man's Vegetable Compound for bronchitis and
cough, and believe it to be the best medicine
out for my disease, and the only one I can
get to give me any permanent relief. It will
cure. I recommend it to the public as an in-
valuable and efficient medicine, and will perform
what it is published to do. W. VANHORN.

TO THE PUBLIC.
I have used Bowman's Vegetable Compound
in my family, for coughs, colds and Miners'
sore throat and believe it to be the best thing
that I ever got for those complaints, and cheer-
fully recommend it to the public.
REV. J. GASTON,
Pastor of the Clinton St. M. E. Church,
June 10, 1855. Cincinnati.

Here is one from the old pioneer Methodist
preacher of Ohio, Rev. J. B. Finley.
I believe Bowman's Vegetable Compound to be
the best remedy for Diseases of the Throat
and Lungs, &c. I have tested it, and find
it to be the best of all the popular remedies I
ever tried, and I have tried every kind. I re-
commend it to the public. Try it and you will
be convinced of its superiority.
Cincinnati July 1856. Rev. J. B. FINLEY.

Hear what the celebrated Dr. Peck says:
New York, May 12, 1856.—I have used Bow-
man's Vegetable Compound for coughs and
hoarseness in speaking, and believe it to be
the best preparation for Throat and Lung com-
plaints I ever got, and I recommend it to the
public speaker and singer, as well as to those
afflicted with Lung diseases. J. T. PECK.
Silsbee Bldg., New York.

Hear what Dr. Benson, of Cincinnati, says:
[Extract from a letter.]
"Bowman's Vegetable Compound contains a
virtue which is not possessed by any other
popular medicine in my knowledge." It does
not only remove the disease over which it
only temporary relief (like most of patent medi-
cines), but it combats at the root of the dis-
ease, and performs a perfect cure.

WONDERFUL DISCOVERY!
The doubting may try and be convinced.
The Proprietors try to the following bona
fide certificates with confidence on the com-
munity: They are but samples of the many hun-
dreds of testimonials in its favor. Philadelphia,
Philadelphia, Aug. 15, 1856—Last spring
while in Pittsburgh, I had a bad cold and
cough, which troubled me much, and a friend
of mine gave me a bottle of Bowman's Vegeta-
ble Compound for my cough and cold. I took
the first dose, and the coughing and hoarseness
ceased. I commenced taking, and found
relief almost immediately. I had taken many
things for my cough and hoarseness, but never got
anything to help me as it has done. I believe
it to be the best medicine for my cough, and
soon as I got it, and cheerfully recommend it
to the public.
THOS. H. STOCKTON,
Pastor 1st Prot. Meth. Church.

TO THE PUBLIC.
I have used Bowman's Vegetable Compound
in my family, for coughs, colds and Miners'
sore throat and believe it to be the best thing
that I ever got for those complaints, and cheer-
fully recommend it to the public.
REV. J. GASTON,
Pastor of the Clinton St. M. E. Church,
June 10, 1855. Cincinnati.

Here is one from the old pioneer Methodist
preacher of Ohio, Rev. J. B. Finley.
I believe Bowman's Vegetable Compound to be
the best remedy for Diseases of the Throat
and Lungs, &c. I have tested it, and find
it to be the best of all the popular remedies I
ever tried, and I have tried every kind. I re-
commend it to the public. Try it and you will
be convinced of its superiority.
