

A scinple from they ky; Waiting to take youse child, mother, From out your close embrace, When death upon her lips and brow Shall leave its mystic trace. And mother, when my heart is still, Then lay me down to rest,

With the emblems of my faded youth Withering on ney breast. And when the twilight kisses The dew drops where I sleep, (), mother! near your darling A sacred presence keep-Now fold me closer, mother, And kiss me once again, For love, with magic power, Will southe away my pain. There is a glorious brightness Unfolding o'crime now, And lips of airy brightness Are pressed upon my brow.

The air secons hallowed with the breath Of heaven's minstrelsy, And voices Wisper me to: come, In tones of meloily, So kiss me, mother, as I pass From out the parent nest. And place me in my bridal robes. And by me down to rest.
