BOERHAVE'S

HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND ACUE,

And the various affections consequent upon disordered

STOMACH AND LIVER.

Such as Indigestion, Acidity of the stomach, Colicky Pains, Heatburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial aid to others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our father land scattered here and there over the face of the mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continued use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve raised up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE!—Whoever expects to find in this beverage will be disappointed, but to the sick weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

☞Sold at $1.00 per bottle, or six bottles for $5.00, and by the proprietors, Benjamin Page, Jr. & Co., Manufacturing Pharmaceutists and Chemists, Pittsburgh, Pa.

RESOLUTION

Proposing Amendments to the Constitution of the Commonwealth.

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met: That the following amendments are proposed to the constitution of the commonwealth, in accordance with the provisions of the tenth article thereof.

First Amendment.

There shall be an additional article to said constitution to be designated as article eleven as follows:

ARTICLE XI.

OF PUBLIC DEBTS.

SECTION 1. The State may contract debts, to supply casual deficits or failures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent, whether contracted by virtue of one or more acts of the general assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars, and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

SEC. 2 In addition to the above limited power the State may contract debts to repel invasion, suppress insurrection, defend the State in war, or to redeem the present outstanding indebtedness of the state; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debts, and to no other purpose whatever.

SEC. 3. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the state.

SEC. 4. To provide for the payment of the present debt, and any additional debt contracted as aforesaid, the legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars, which sinking fund shall consist of the net annual income of the public works, from time to time owned by the state, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the state, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debt, until the amount of such debt is reduced below the sum of five millions of dollars.

SEC. 5. The credit of the commonwealth shall not in any manner, or event, be pledged, or loaned to, any individual, company, corporation or association; nor shall the commonwealth hereafter become a joint owner, or stockholder, in any company, association, or corporation.

SEC. 6. The commonwealth shall not assume the debt, or any part thereof, of any county, city, borough or township; or of any corporation, or association: unless such debt shall have been contracted to enable the state to repel invasion, suppress domestic insurrection, defend itself in time of war, or to assist the state in the discharge of any portion of its present indebtedness.

SEC. 7. The legislature shall not authorize any county, city, borough, township, or incorporated district, by virtue of a vote of its citizens, or otherwise, to become a stockholder in any company, association, or corporation; or to obtain money for, or loan its credit to, any corporation, association, institution, or party.

Second Amendment.

There shall be an additional article to said constitution, to be designated as article XII, as follows:

ARTICLE XII.
