☞ We are gratified to announce to our readers a *Cathartic* Pill, (of which see advertisement in our columns,) from that justly celebrated Physician and chemist, DR. J. C. AYER. His Cherry Pectoral, everywhere known as the best remedy ever offered to the public for Coughs, &c., has prepared them to expect that anything from his labratory would be worthy of attention. As no one medicine is more universally taken than a Physical Pill, the public will be glad to know of one from such a trustworthy source. We happen to know and can assure them that this article has intrinsic merits, fully equal to any compound that has ever issued from his Crucibles, and consequently is well worth a trial whenever such a medicine becomes necessary.—*Racine Com. Adv.*

Duff's Mercantile College, Corner of Third and Market streets, Pittsburgh Pa.—This time-honored Institution continues to maintain its long acknowledged position in advance of all others of the kind in the land. The new edition of Duff's Book-keeping has again been awarded the first premium diploma by the Pennsylvania State Fair at Philadelphia. Mr. J. S. Duncan, the talented and popular teacher of penmanship in the College, was also awarded the first premium for his new and splendid system of business and ornamental penmanship. We congratulate Mr Duncan on this well deserved and very properly bestowed mark of distinction upon his industry and professional zeal. No similar school bears such strong evidence of the long and watchful supervision of the Principal over every department, and none has greater cause to be proud of the almost uniform success of his numerous students in every department of business.—*Pitts. Com. Journal.*

☞ A number of Young ladies in Salem, Mass., having considered the state of the money market and determined not to pay ten or twenty dollars for a winter bonnet, have set about making bonnets for themselves.

☞ Persons visiting Allegheny will find an hour well spent by stopping at Carnaghan's Clothing Hall, Federal street, and examining his extensive Stock of Clothing & Furnishing Goods. His Goods will be found all that is desirable, good in quality, neat in style, and well made. Carnaghan's reputation as a manufacturer of Boy's Clothing is fully established; and taste and stability characterize all his work. Garments from the largest to the smallest sizes generally are kept on hand, and all warranted well made. Read his Advertisement.

Holloway's Pills.—Armed with this great antidote the traveller is prepared to encounter all varieties of climate, for he has the means of eradicating nearly every species of internal disease. The endemics of the alluvial districts of the West and the miasmatic swamps of the South, and the epidemics which at particular seasons decimate the population of our crowded cities are susceptible of being controlled by the purifying, disinfecting action of the pills upon the animal fluids; while external disease and injuries are rapidly and thoroughly cured by the anti-inflammatory and healing agency of the ointment.

☞ *Brentlinger's Fluid Extract of Sarsaparilla and Dandelion*, the safest and only cure for Scrofula, Blotches on the skin, Enlargement of the Joints, and all cutaneous diseases. ☞ For sale at P. B. Young's Beaver; Kaiser & Bro's, Rochester; E. Booking, Wheeling, Va. Gen't Agent.

☞ Does any of our high livers ever eat too much dinner? If any of our readers have cooks who tempt their appetite a little too far, I will tell a secret that will lead them to the enjoyment of their dinners without a visit from that gouty old gentleman—Dyspepsia. *Take a dose of Dr. Sanford's Invigorator after eating, and you never will be troubled with indigestion;* but on the contrary, before the next meal time approaches the appetite will be sharpened to appreciate any kind of food.

☞ Sold by Dr. O. Cunningham, Beaver and Druggists generally.

☞ We call attention to Prof. Wood's "Hair Restorative" advertisement. Without doubt the only remedy that can restore the hair to its pristine quality, and has given universal satisfaction. The Professor has the testimonials of hundreds of cases cured by this infallible resterative, and we can cordially recommend it to all who need to use this valuable preparation.—*Cincinnati Daily Sun.*

☞ Sold by Dr. O. Cunningham Beaver and druggists generally.

November Appointment

DR. H. TUBBS,

Will be at his room, Bridgewater, Lehmer's Hotel, Monday, Nov'r 9, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisens employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patiens may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

☞ Those afflicted with Rhumatism or kindred affections, will do well to read the following from Mr Caskey;

BELLEFONTAINE, O., Feb. 1857.

This may certify that I have been subject to severe pains and lameness of the back, for five or six years. Last Summer it so increased that I was disabled from work entirely for some time, and finally got so bad that I could not rise from the floor, nor get any rest when placed in bed. For two weeks my meals were taken while lying on the carpet, where I remained day and night. In this condition Dr. Tubbs found me, when called last August. I had before at different times been under treatment of two physicians—one of whom thought it Neuralgia, the other was undecided what to call it. I cannot say that any benefit was derived from either. I afterward consulted a third one, who declined treating as he thought medicines would do me no good.

Within a week after commencing Dr. Tubbs' treatment, I found relief, and was soon able to resume my work. I am engaged in running a stationary engine at the Rail Road depot where I can at all times be found. My health remains good, and during the changes of the Fall and Winter, I have not suffered in the least from my old complaint.

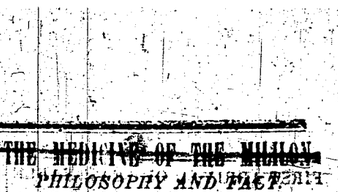
THE MEDICINE OF THE MILLION

PHILOSOPHY AND FACT.



HOLLOWAY'S PILLS,

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its fountains, and the intestines the channel through which the crude matter rejected in its production is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the exertions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and
