BEAVER MACHINE WORK

Childs, M'Connell and Darraghs,

FOUNDERS

AND

STEAM ENGINE BUILDERS

Fallston, Beaver Coun'y, Pa.

WE respectfully call attention to the inducements offered for purchasing Engines and Machinery mentioned below. We have purchased the right to make and sell the

PATENT OSCILLATING ENGINE

of Messrs. Cridge & Wadsworth, and are now engaged in the manufacture of them at the lowest possible rates, which is about twenty five per cent lower than the Slide Valve Engine—Their simplicity and durability, combined with their cheapness, and almost utter impossibility to get out of order, renders them the most desirable Engine to have.

The following is a list of the different kinds of Machinery which we have made. Persons wishing to procure anything of the kind, will do well to give us a call before purchasing elsewhere.

Double Slide Valve Reciprocating Engines, the same as manufactured at Salem, Ohio: Oscillating Engines. Cridge & Wadsworth's Patent; Tub and Bucket Machinery; Flour Barrel and Nail Keg Machinery; Planing Machines; Cylinder or Barrel Saws; Fire Brick and Clay Rollers; Starch Rollers, Pipes and Castings for extracting Oil from Cannel Coal; Flouring Mill Gearing; Pullies and Shafting; Muley, Sash, and Circular Saw Mills; Lath Machinery, &c., besides numerous other Machines which it is not necessary to enumerate.

We might add a long list of certificates, but deem any but the following unnecessary.

ECONOMY, December 24th, 1856.

MESSRS. CRIDGE, WADSWORTH & Co, Gentlemen:—We hereby certify that we have had one of your Oscillating Engines in use for nearly four months, and that it gives satisfaction in every respect. Its principal advantages over the common Engine are—

1st. Its simplicity, and the consequent facility to keep it in good order.

2d. It takes up much less room.

3d. It requires less pressure of steam to do the same amount of work; and is, therefore, worked with less danger and less fuel.

Respectfully yours,
R. L. BAKER
JACOB HENRICI,
Trustees

Our facilities for shipping to any point whatever, by Rail Road, Canal, or on the Ohio River, is as good as at any other point. Our works are situated in Fallston, Pa. on the west Bank of the Beaver River, opposite N. Brighton, and only one hour's ride by rail from Pittsburgh. July 1, 1857.

DENTAL SURGERY.

1st. Single gum-teeth, on gold or silver plate

2d. Block-teeth, on gold plate, presenting a continuous gum.

3d, Indestructible teeth on Gutta Percha base.

At this last is a new mode of inserting teeth, should it fail to render satisfaction after a fair trial, I will replace the work with gold or silver.

AYER'S PILLS,

A new and singularly successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Count, Humors, Nervousness, Irritability, Inflammations, Headache, Pains in the Breast, Side, Back and Limbs, Female Complaints, &c. &c. Indeed very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the bearers all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing any thing hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills, we may mention

DR. A. A. HAYES, Analytical Chemist, of Boston, and State Assayer of Massachusetts, whose high professional character is endorsed by the

HON. EDWARD EVERETT, Senator of the U. S.
ROBERT C. WINTHROP, Ex-Speaker of the House of Representatives.
ABBOTT LAWRENCE, Minister Plen. to England.
JOHN B. FITZPATRICK, Cath. Bishop of Boston.

Also, DR. J. R. CHILTON, Practical Chemist, of New York City, endorsed by

HON. W. L. MARCY, Secretary of State.
WM. B. ASTOR, the richest man in America.
S. LELAND & Co., Prop'rs of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is found in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. This system of composition for medicines has been found in the Cherry Pectoral and Pills both, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, every medicine is burdened with more or less of acrimonious and injurious qualities, by this each individual virtue only that is desired for the curative effect is present. All the inert and obnoxious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effects should prove as they have proved more purely remedial, and the Pills a surer more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formulæ by which both the Pectoral and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If, however, there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Patent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no mysteries.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently; and are willing to certify that their anticipations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see wrapper on the box.

BALM OF A THOUSAND FLOWERS, at
(may6,'57.) P. B. YOUNG'S.

The Greatest Medical Discovery OF THE AGE.

DR. KENNEDY, of Roxbury has discovered, in one of our common pasture weeds a remedy that cures every kind of humor, from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases. (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach

Three to five bottles are warranted to cure the worst cases of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two or three bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—In April 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a desease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

DIRECTIONS—Adults one table spoonful per day—Children over ten years dessert spoonfull. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by

FULL OF HOPE TO THE AFFLICTED AND SUFFERING!

Many of the thousand portals of Death may be closed, and life made happier, and more comfortable, to thousands who are now in danger. Doubtless this world contains many a balm to soothe its physical woes and cure its diseases. Among those in prominent rank, stands

BOWMAN'S

VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as colds, coughs, quinsey, difficulty of breathing, bronchitis, Ministers' sore throat, weakness of the chest, asthma, inward ulcer, spitting of blood, influenza, croup, whooping-cough, pain in the breast and side, hoarseness, catarrh and catarrhal affections, inflammation of the lungs, bleeding of the lungs, and such like. But its superior excellence is seen and tested in the more advanced affections of the lungs. For the truth of the above statement and the efficiency of the preparations as an antidote, we refer the public to the following testimonials:

Language is scarcely strong enough to tell the great power of this

WONDERFUL DISCOVERY!

The doubting may try and be convinced.

The Proprietors point to the following bona fide certificates with confidence on the community; they are but samples of the many hundreds of testimonials in our possession:

Philadelphia, Aug. 15, 1856.—Last spring, while in Pittsburgh, I had a bad cold and cough, which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking, and found relief almost immediately. I had taken many things for cough and hoarseness, but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is out, and cheerfully recommend it to the public. THOS. H. STOCKTON.

Pastor 1st Prot. Meth. Church.

From Judge Vanhorn, of the District Court, at Cincinnatia.

Cincinnati, May 4, 1856.—I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any permanent relief. It will cure. I recommend it to the public as an honest and efficient medicine, and will perform what it is published to do W. VANHORN.

TO THE PUBLIC.

I have used Bowman's Vegetable Compound in my family, for coughs, colds and Ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.

REV. J. GASTON,
Pastor of the Clinton st. M. E. Church,
June 10, 1855. Cincinnati.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley.

I believe Bowman's Vegetable Compound to be the best remedy for Diseased Throat and Lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public. Try it and you will be convinced of its superiority.

Cincinnati July 1856. Rev. J. B. FINLEY.

Hear what the celebrated Dr. Peck says:

New York, May 12, 1856.—I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for Throat and Lung complaints I ever got: and I recommend it to the public speaker and singer, as well as those afflicted with Lung diseases. J. T. PECK.

Hear what Dr. Benson, of Cincinnati, says: [Extract from a letter.]

"Bowman's Vegetable Compound contains a virtue which is not possessed by any other popular medicine in my knowledge. It does not only smoothe the disease over, giving it only temporary relief (like most of patent medicines,) but it commences at the root of the disease, and performs a perfect cure.

C. W. BENSON, M. D.
