THE BUSINESS OF THE DEMOCRAT THE IMPENDING STRUCOLE.

IC PARTY.

In these days of parties without princi

The indications multiply of a stormy remion for the coming Congress. What In these days of parties without prioci-the Bouth will expect and demand of the ples-when a thousand presses support the Democracy of the North, is well foreshad- so-called Democratic party withous agrocing owed in the subjoined article from the as to its principles, or indeed affirming that Charleston Mercury, We have elsewhere it has any, it is refreshing to find one quoted from an article of kindred import, which has principles a policy-and work from the same paper of the 23d Nov. In laid out for his party. This exception to

the hustings for Buchanan and Free Kan-sas,' now vote for the admission of Kunsis into the Union with practically a slave constitution? Will their constituency ap-prove of the result? And what will be the effect on future elections, when they see all the efforts of the North, backed by the au-tools of the remute to make Kansis tharity of the Government to make Kansus and preserve American society as it is, or afree State, baffled and defeated by a bandful of brave and faithful Southerners, and these inferior beings. But there is of the South triumphant?

From that brief and pregnant utterance, surn to another article from the same paper with Democratic ideas—there is but a sin-gla straightforward appricable and which we reproduce entire.

If the correspondent of the Charleston Courier is well informed as to matters in Washington, the Weshington Union by this time must be getting some faint glim-mers as to the true state of things relative to Kansas and its constitution. The text of text

to Kansas and its constitution. The truth, This is a desided advance upon the we doubt not, justifies the information of the correspondent of the Copier as to the Union, which only asks leave for slaveholembarrassments of the Administration and ders to take their chattles through free the indignation of the Northern Democrats. States, nor asks that in the name of the Under these circumstances there can be so It is clear that the Pro-slavery party have completely outwitted Walker and Stanton

and the whole Black Republican party; and tinues. that, after all, Kansas will apply to Con-gress for admission as a slave State, with a pro-slavery constitution. The Washington those mighty conjunctions against Demo-

Union, knowing the consequence of this cratic institutions which are disguised nastate of things, tries hard to wink it out of der pretences of Hullanthropy, &c., fails to existence. If quotes with warm approba-array himself openly and boldly en the side tion an article from the New York Times, of truth, of the status que, of the existing which gravely contends that it the Black order, on the side of fixed and permanent Republicans will vote out of the constitu-tion the article to be submitted to the peo-Slavery, is certainly no Democrat, what-

ple of Kansas for rejection pr acceptance, ever clse he may pass for or imagine him-slavery will be abolished in Kansas. The self. The question is before the country. first difficulty, however, is, that the Black It is the only question of general interest, Republicans will not vote. But suppose and will remain the only question until it they do vote, and by their votes exclude is decided—until the people are enlighten-the article concerning slavery from the con-ed upon it, and the widespread and monstitution, will slavery be abolished in Kan- strous imposture of the day is exposed and

uss? The Times contends that it will, and exploded, or left in ignorance of it, the en-quotes, to prove it, the following clause in emiss of Democracy wield it for the dc-the constitution providing for this contin-straction of the Union, and the overthrow of American institutions. And the sooner 'The article providing for slavery shall this truth is brought home to every pro-

'he stricken from the constitutution by the fessing Democrat in the land, the better President of this convention, and no slave- for bimself, as well as the cause of Demory shall exist in the State of Kansas, ex- cracy. If the Democratic party had de-cept that the right of property in slaves fended the repeal of the Missouri restric-

now in this ferritory shall in no manner be interfered with.' The Times prints in large and smal cop-itals the words, "and no slavery shall exist in the State (f Kansas," and then defended it as right and pro-itals the words, "and no slavery shall exist in the state (f Kansas," and then defended it as right and pro-itals the words, "and hen defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the words, "and hen ben defended it as right and pro-itals the right of property in slaves havo been avoided. And to this conplex-ion it must come at last. The Democration property in slaves now in this Territory, shall in no manner to a slaver abolished ? It not only exists. is slavery abolished ? It not only exists.

#### From the Pittsburg Gasetia. THE WASHINGTON UNION DOWN

OF FORMEY. The Washington Union of Des. 3d het a very severe article condeming the Phila delphia Press for its course in regard to the Kansas Constitutional Convention. It concludes as follows : "He (the editor of the Press) is exactly in the condition of the Black Republicant

a general rule is the New York Day Book whom he so gallantly fought in former oon

The Washington Union and the Admin-istration, we doubt not, will be with the South in this controversy; but where will be the Democratic party of the North ?-Will these members of Congress who, in the late Presidential election, should on the late Presidential election, should on the late fresidential election of Kunsas into the Union with presidential election of Kunsas berates through it. But Forney is not daunted by it. He comes back at the Un-ion gallantly and mointains his ground without flinching. The whole purport of the article in the

Union is to show that there is neither ne cessity nor propriety for submitting the Constitution to the people of Kansas. The best answer, says the Press, 'to this miserable apology for what is neither more nor less than a great moral fraud is,' an article which appeared in the Washington Union itself, of July 7, in which that organ of the administration said; 'When there is no serious dispute upon Regrarous Revivas. Quite an interesting re-tion of the Kansis Constitutional Convention." commit social suicide, or affiliate with

to administration said: When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; When there is no seriors dispute upon the tessel; the Constitution, either in the Convention, intervals, the Upon to the tessel; the constitution, either in the convention to the tessel; the constitution, either in the convention to the tessel; the constitution, either in the convention to the the telegraph informs us, en-the constitution, either in the Convention to the the telegraph informs us, en-the constitution, either in the Convention to the the telegraph informs us, en-the constitution, either in the Convention to the the telegraph informs us, en-the constitution. The most viol is still continuing: Some twelve or fourteen the most important is the which the Convention to the the telegraph informs us, en-there is no seriors dispute upon the tessel; the most important is the convention is to determine, has been going of. The convention the follow. The status quo must be preserved; From the Charleston Mercury, Nov. 26. must be defended, must be permanent.

Democracy, as yet. The Day Book con- such thing as ascertaining clearly, and any way except by their own direct expres-

sion of it at the polls. A Constitution not subjected to that test, no matter what is contains, will never be acknowledged by its to ne. opponents to be anything but a fraud.' This is a conclusive condemnation of the Organ, out pf its own moath. The Frees, in cooclusion, thus burls defiance at its Indignant at its most piriable dilemma, and desperate at the scoraful independence of those Democrats who will not be dragoon ed by any man into submission to confessed wrong, much less by so awkward a drill sergent as the Union, it, has lost its pa-tience, and attempts to intimidate with an infantile vigor truly dismal to behold I
