

The Mississippi Legislature did not adjourn without endorsing in the most emphatic and unqualified manner the resolutions...

The resolution as first offered in the Senate by Mr. Pettus, the presiding officer of that body, embraced the Administration in the censure pronounced without qualification or reservation.

In the House, the resolutions reiterating the same platform in relation to Walker, were adopted without a dissenting voice.

On the main issue there was no conflicting opinion in either branch of the Legislature. All united in approving the action of the Democratic State Convention...

The only question of a difference related to the time when this verdict should be pronounced. Said said, the case is already made out—the proof establishing the culpability of the Administration with Walker in the perpetration of these weighty wrongs upon the South...

George R. Gliddon, the well known Egyptian archeologist, died at Plymouth on the 16th of November. He was born in England about the year 1807, and at an early age went to Egypt...

At one period of Mr. Gliddon's residence in Egypt, he became interested in the success of the projected ship canal across the Isthmus of Suez, and made a journey to England to advocate that measure.

At one period of Mr. Gliddon's residence in Egypt, he became interested in the success of the projected ship canal across the Isthmus of Suez, and made a journey to England to advocate that measure.

There are hundreds of remedies sold at every Drug Store, purporting to cure all diseases nameable, each advertised as the very best ever known, till we had lost all faith in them all, but there is one exception.

There seems to be misapprehensions in some quarters of the subject of the authorizing of an inquiry into the Convention in Kansas assembled. Some of the papers speak of an act of Congress authorizing a Convention. No such measure was consummated. A Bill for this purpose was passed by the Senate, but was not concurred in by the House.

The Washington Times, a few days ago published the following most fascinating doctriues: The Constitution declares that the citizens of each State shall be entitled to all the privileges and immunities of citizens in the several States.

HOLLOWAY'S PILLS. THE EXCITING CAUSE OF SICKNESS. The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument.

THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes thousand shapes, and is the primary source of innumerable dangerous maladies.

BILIOUS AFFECTIONS. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these pills operate specifically and efficaciously.

BOWEL COMPLAINTS. Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Cholera, Chronic Constipation, and other diseases.

A WORD TO FEMALES! The local stability and irregularities which are the special annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of these pills.

Holloway's Pills are the best remedy known in the world for the following Diseases: Asthma, Diarrhoea, Indigestion, Inflammation, Liver Complaint, Headaches, Coughs, Debility, Inflammation, Colds, Fever and Ague, Venereal Affections, Female Complaints, Piles, Costiveness, Liver Complaints, Headaches, Dropsy, Equal Relief, Inward Passions, Inward Passions, Inward Passions.
