BEAVER ARGUS.

BEAVER, PA.

WEDNESDAY, DECEMBER 16, 1857.

PERSONAL.—We this week commence to send out bills to those who are indebted to us on subscription or otherwise; and we hope they will be promptly heeded. We are in need of money, and if we can succeed in collecting but a tithe of what we have standing on our books, we shall be enabled to prosecute our work during the coming winter "without flinching." Let our friends, then, who know themselves indebted, or who receive bills of their indebtedness, make some little effort to send us some money—if not the whole amount, a part. Besides giving them credit on our books, they shall have our warmest thanks, for so doing.

Oct 21st 1857.

THE MESSAGE.—The Message of President Buchanan takes up nearly all of our space this week. Consequently we are obliged to cut short our editorial matter, and also to hold over for our next paper one or two communications.

TO THE PATRONS OF THE ARGUS.

Having disposed of my interest in the Argus office, to my brother, the senior partner, I now take my leave of those who have been kind enough for a series of years, to extend their patronage to the firm. The books of the late partnership will be left at the Argus office, where all settlements are to be made.

The business relations between ourself and patrons have been of the most agreeable character, and it is to be hoped that their uniform kindness and generous support will long be cherished.

During our connection with the paper, and in contributing to its columns, we have steadily endeavored to be as near *right* as possible; and if we have not been one of the most *politic* of editors, we have still the wholesome conviction that we have never airded in committing the Republican party to any measure that has not borne the utmost scrutiny, and that will not now commend itself to popular favor.

The Party in this county, at the present time occupies not only a respectable but a commanding position, and while we disclaim any praise but that belonging to an humble soldier in the ranks, we confess that we take pride in looking back upon the past. But a short time ago, the Whig party was the competitor of the Democracy. It could not, in the county uniformly, command success. *Now*, we have not only a vigorous, compact organization—one that has fairly and honorably taken every county office out of Democratic hands, but one that has a reliable majority from five to eight hundred votes. More hearty co-operation, a better state of feeling, or better results could not have been desired. Hence our ambition is gratified, and we take our position from off the watch-tower, here, with no vain regrets, no disappointed hopes, no heart-burnings, no envyings, no strifes, and hopefully turn to those with whom we have hitherto acted, and invoke them to deal forbearingly with each other in the future, and to suffer no dissensions to arise among them.

J. WEYAND.

RESIDENCE.—There will be service in the Episcopal Church, in Rochester, on Sunday next, at 10½ o'clock, A. M., and alternately thereafter at 10½, A. M., and 3 o'clock, P. M.

STOVES, TIN WARE, &c.—Mr. A. Bestwick, of New Brighton, has on hand an excellent assortment of Stoves, Tinware, &c., which he is disposing of at moderate rates. Not only does he manufacture good articles and sell them cheap, but more than that, in his dealings "he's every inch a man."

GOVERNOR OF NEBRASKA.—Col. Richardson, of Illinois, has been appointed by the President, Governor of Nebraska. His nomination was immediately confirmed by the Senate.

ELECTED.—Hon. R. M. T. Hunter, of Virginia, has been re-elected to the U. S. Senate, by the Legislature of this State.

APPOINTMENT BY THE GOVERNOR.—Moses B. Welsh, Esq., of this Borough, has been complimented by the Governor of this State, with a Commission, making him a Lieutenant Colonel of the Pennsylvania Militia. Col. Welsh, we Presume, will wear his honors, not only meekly call him to the end should "the destinies" over that he would make a brave and efficient officer.

A MURDEROUS ATTACK.—On Sunday night a week ago, a murderous attack was made upon Henry Edwards, Esq., an old and well-known citizen of North Beaver township, Lawrence county. He was awakened in the night by some one calling, and on getting up and going to the door he was told by a person standing a short distance from the house, that a horse was fast in Mr. Edwards' stable. Mr. E. proceeded toward the stable, when he was fired at by the person who had called him out. The ball just grazed his breast, cutting away his clothing, &c. Mr. Edwards immediately gave chase, but the rascal made his escape. Suspicion having rested upon James Baker as being the guilty person, he was arrested and held to bail in the sum of two thousand dollars.

Removal of Stanton and McKeon.

Since the election in New York City, the President has decapitated U. S. District Attorney McKeon, for not supporting Mayor Wood, at the recent Municipal Election.

Secretary Stanton, now acting Governor of Kansas, has also been removed. The reason given for the removal of Stanton is, that he issued a proclamation convening the recently elected Legislature of that Territory. This is another act of folly and madness, in perfect character with the whole course of the Administration on the Kansas question. Admonished by the removal of Stanton, the Administration doubtless expects Gov. Walker to resign. This, we hope he will never do. Then let the Executive remove him if he dares.

The principles represented by Walker, in the Kansas imbroglio, the country will sustain.—The Administration cannot sustain itself; and should the infatuation continue, that appears to have taken hold of the President and his cabinet, they will be overwhelmed in the storm, that they have themselves created.

ORGANIZATION OF CONGRESS.—For Speaker, James L. Orr, of South Carolina, received 123 votes; for Clerk, James C. Allen, of Illinois, 128; for Sergeant at Arms, A. J. Glossbrenner, of Pa., 133 votes; for Door-Keeper, B. B. Hackney, of Va., 128 votes; Michael W. Clusky, of Georgia, was elected Post-Master by Resolution. It is needless to say that the above were the regular Democratic nominees. The Republicans supported Mr. Grow, of Pa., for Speaker; B. Gratz Brown of the St. Louis Democrat, for Clerk; C. B. Babcock, of Michigan, for Sergeant at Arms, and Nathan Darling, of New York, for Door-Keeper.

Washington City, Dec. 14.—Private dispatches received here state that Messrs. Shield and Steel have been elected to the United States Senate from Minnesota.

New York, Dec. 14.—The California shipment of specie, received here by the Star of the West, is about two million and a quarter.

Teacher's Institute.

A Teacher's Institute will be opened in the Hall of the New Brighton Union School House, the 28th of December, to continue three days. The Directors, Teachers and Friends of Education in this and adjoining counties, are respectfully invited to be present and participate in its exercises. The following named persons constitute the regular Board of Instruction; they will treat on the following subjects, namely:

THE undersigned in pursuance of the above very cordial invitation would respectfully request the Directors, Teachers and friends of education in Beaver County, to meet at the Public School House in New Brighton, on Monday, the 28th of Dec, for the purpose of attending a Teacher's Institute. As the occasion will be one of great interest it is hoped that Directors will make such arrangements as will permit the teachers to attend the sessions of the Institute.

The New Certificates just issued by the School Department will be given to such teachers in attendance at the Institute, who have been examined during the present school year.

HAIR RESTORATOR.—Prof. Wood advertises in our columns his valuable medicine for restoring hair, an for the prevention of baldness, &c. This remedy has been used quite extensively, and with great success. Hundreds, nay, thousands have used it, and are willing to testify to its efficacy. Read the advertisement—go at once and procure a bottle, and prove its virtues. Old bald headed bachelor friends should embrace this opportunity to cover their pates with a coat of rich, luxuriant hair.—[Indianapolis Locomotive.

Holloway's Ointment and Pills.—Ulcerated Legs.—Every surgeon knows that sores deeply seated in the muscular fibre of the leg, defy all ordinary treatment, but ulcers of this class, however obstinate and virulent, invariably bow under the balsamic action of Holloway's Ointment. This preparation does not drive the virus of the sore from one part of the system to another; it cures not by repression, but expulsion.—Hence, there is no fear of the re-appearance of any eruption, tumor, swelling, or sore, that has once yielded to the healing properties of this thorough curative. In cases of cancer its timely use has saved innumerable lives, and rendered the cruel process of excision unnecessary. Of the Pills it may be truly said that no disease of the stomach or liver ever resisted their operation.

Will be at his room, Bridgewater, Lehnert's Hotel, Wednesday, Dec. 16, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patiens may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

☞ Those afflicted with Rheumatism or kindred affections, will do well to read the following from Mr. Caskey:

SALT RHEUM RADICALLY CURED.

Mrs. L Rhumigh, of Beaver, Pa., cured of Salt Rheum of eight years standing. It was of a most painful character, covering the entire surface of the hands, and portions of the arms and person. First called nearly eight years ago. In four months the skin became soft and smooth, remains entirely free from disease to this time. The above case is selected because one of the first cured in the West, and best shows its permanency. Those who have been similarly affected and cured, reside in the vicinity of nearly every appointment, to whom reference can be given. Equal success has attended the treatment of White Swellings, Scrofula, Abcesses and Fever Sores, some of which have been noticed in the monthly reports. In the treatment of all such, we rely mainly upon internal remedies that are calculated to neutralize the acrid substances, supporting diseases, and by exciting to healthful activity, the skin and other secretory organs, to force noxious excrements to escape by natural channels; hence the cure is radical without desiction, and instead of endangering the lungs, as a superficial healing of ulcers or 'scattering' of humors invariably does, it serves to protect and strengthen those vital parts.

THE MEDICINE OF THE MILLION
PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS
THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittents, and all the varieties of disease generated by an unnatural condition of gorhaet. n

BOWEL COMPLAINTS

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma,	Diarrhœa, Indigestion,
Bowel Comp'ts,	Dropsy, Influenza,
Coughs,	Debility, Inflammation,
Colds,	Fever and Ague, Veneral Affe'n
Chest Diseases,	Female Compl'ts, Piles,

Dr. O. Cunningham, Beaver, is an authorized Agent for the sale of these medicines.

N. B. Directions for the guidance of patients in every disorder are affixed to each box. feb.18

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
