THE KANSAS JUGGLE.

The ingenuity of the Lecompton fraud is well illustrated by the following remarks of Senator Douglas' home organ. The Chicago Times well says that:

"A vote 'for the Constitution *with* Slavery' is a vote to establish and forever maintain the institution with the power, in the Legislature of emancipation. A vote 'for the Constitution *with no Slavery*,' is a vote to recognize the existence of Slavery now there, to keep those slaves who are now in the Territory, and their natural increase, slaves during their lives, and is a vote to forbid the power of the Legislature to emancipate. The Constitution *'without Slavery,'* means that Slavery in the Territory shall be confined to those slaves, now there, and their increase from generation to generation with no power on the part of the Legislature to emancipate by compensation, or in any other way. The Constitution with Slavery allows more slaves to be brought to Kansas, but gives the Legislature power to provide for their emancipation.

We confess our inability to decide which of these two alternatives is the more 'Pro-Slavery.' We incline to the opinion that the Constitution *with no Slavery* is the more Pro-Slavery."

IRRITABLE.—The President does not bear the complicated troubles in Kansas and Douglas's defection with much placidity. The correspondent of the Evening

[illegible] estimate, mulch and [illegible] on the Kansas Question, [illegible] to advise him. In [illegible] advice from any Democ[illegible] of civility. The [illegible] of Ohio, and [illegible] including Bro[illegible] is the sulky, and [illegible] I never saw [illegible] man as in Buch[illegible] began [illegible] foolish [illegible] and suspicion [illegible] to undermine him [illegible] in Congress, has [illegible] so far he has apparently [illegible] He thinks he [illegible] business better [illegible] and has nothing to learn, [illegible] immensely over the slur in Douglas's speech, that he was absent on a [illegible] mission from the country when the Nebraska bill passed."

Governor Denning's Instructions.

[illegible] is charged with [illegible] harassing General [illegible] He acted, in [illegible] the wrongs of the following air. [illegible] was published to-day and [illegible] effect:

SIR:—From information received at [illegible] Department, there is reason to believe that lawless persons are now engaged within the limits of the United States in setting on foot and preparing the means for military expeditions to be carried on against the Territories of Mexico, Nicaragua and Costa Rica—Republics with which the U. States are at peace—in violation of the sixth section of the act of Congress approved 20th April, 1818. And under the 18th section of the said act it is made lawful for the President, or such persons as he shall empower, 'to employ the land and naval forces of the United States, and the militia thereof, for the purpose of preventing the carrying on of any such expedition or enterprise from the Territories or jurisdiction of the United States.' I am, therefore, directed by the President to call your attention to the subject, and to urge you to use all due diligence, and to avail yourself of all legitimate means at your command to enforce these and all other provisions of the said act of 20th of April, 1818, against those who may be found to be engaged in setting on foot or preparing military expeditions against the territories of Mexico, Costa Rica and Nicaragua, so manifestly prejudicial to the national character, and so injurious to the national interest. And you are, also, hereby instructed promptly to communicate to this Department the earliest information you may receive relative to such expeditions.

I am, Sir, your *obedient* servant,
[signed] "LEWIS CASS."

LIFETIME OF A KANSAS GOVERNOR.—The Governors of Kansas are a short-lived race. Governor No. 1, A. H. Reeder, reached Kansas Oct. 6, 1854; removed July 31, 1855—term of service ten mo's. Governor No. 2, Wilson Shannon, reached Kansas September 1, 1855; removed Aug 21, 1856—term of service one year. Governor No. 3, John W. Geary, reached Kansas September 11, 1856; returned in March, 1857—term of service about seven months. Governor No. 4, Robt. J. Walker, reached Kansas May 24, 1857; quit Dec 7, 1857—term of service a little over seven months.

ENDORSES THEM.—What is to be done with Gen Denver? The Kansas correspondent of the Cincinnati Times says that since his arrival in the territory, his eyes have been opened; and that now he 'endorses all the official acts of both Walker and Stanton, even to the convening of the extra session of the Legislature.' What has the Administration plotted by the exchange? Is Denver to be removed for his heresy?

THE MORMON ARMY.—The forces of the Mormons are estimated to the amount of about 5000 men, officers as follow:—D. H. Wells, Lieutenant P. Rockwood, Commissary General; A. Grant, Brigadier General of Cavalry; H. B Clawson, Aid-de-Camp; L. W. Hardy, Division Commissary; W. A. Kimball, Lieutenant Colonel of Cavalry; Wm. Hyde, Lieutenant Colonel of Infantry; R. T. Burton, Major of the Life Guards.

"IN PEACE PREPARE FOR WAR."—In the days of youth, it behooves us to make preparation for the approach of age.—How many persons have become prematurely bald by neglecting to apply appropriate remedies to prevent the hair from falling off! The use of Prof. Wood's celebrated "Hair Restorative" will prevent the hair from falling off, impart to it a healthy growth, and even restore the hair on the bald.

☞Sold by Dr. O. Cunningham, Beaver and Druggists generally.

☞Imprisonment for debt is still in vogue in Canada. In the prison at Hamilton, there is a woman in the debtor's ward who has been imprisoned for upwards of seven years, a term which much exceeds the average of severe criminal sentences, and there is no prospect of her release.

☞By an act of the Massachusetts Legislature of 1856, Christmas was made a legal holiday, and all notes payable at the banks on that day, must be paid on the day previous.

☞THE New York papers say that there is more gold and silver in circulation in that city at the present time than was ever before known.

Will be at his room, Bridgewater, Lehmer's Hotel, Monday, Jan'y 18, 1858.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to build up again. The medicines can be taken with safety by the most delicate, and patients may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

We commend the following unparalelled case of ulceration of the right lung, involving doubtless the pleura, to the attentive perusal of consumptives. The inclemency of the two past seasons have produced an occasional cold, but revived none of the old symptoms. The Logan Co Republican says: Mr. More is well known to us and to the County: its statement is entitled to all confidence. No facts can be better attested.

Union t'p, Logan Co., O. Feb. 1857.

Dr. Tubbs—Dear Sir: When I saw you in July last, I was in a very feeble condition. I had had a violent cough for the eight months previous, accompanied by a discharge of enormous quantities of putrid matter, such as issues from an old sore. Sometimes it was tinged with blood. The accumulation of matter in the chest became so great as to cause an enlargement externally of the breast or side.—When the abcess broke, the flow of matter was so profuse as nearly to cause suffocation.

After expectorating thus freely, swelling would subside. The pus would then gradually collect again, producing the same fullness, and followed by a most copious discharge as before. This continued for about four months, and until after I commenced your treatment. I was reduced in flesh, had night sweats, and my ankles and lower limbs swelled so large that bandaging was resorted to in order to reduce it. My cough was continuous, some nights depriving me almost altogether of rest or sleep. Improvement was gradual, but continued after seeing you until I got entirely rid of my sweats, cough, and expectoration, also the enlargement of the side, and am again as fleshy as is usual for me when in health. So far the severe weather of winter has produced no return of my old symptoms, and health and strength remain comfortably good. I had no expectation of ever again being as well as I am now. I now furnish this that others may know what means were employed during my recovery. Having resided forty years in Logan county, I am well known to its citizens, to whom reference may be had. Yours truly, SAMUEL MORE.

HOLLOWAY'S OINTMENT

CIRCULAR TO THE SICK.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralize the very elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS,

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antipote to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect when contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment.—The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS

☞This Ointment is universally used on board the Atlantic and Pacific Mailing fleet as a cure for sore legs, ulcers, &c., and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
