HORSE CHEWING TOBACCO, -The Anti-Tobacco men have paraded in triumoh the assertion that man is the only animal which chews the weed. The following from the FORMENANDBOYS. Danville, Va., News will be welcomed as a

complete refu:ation: One of the physicians of our town owns a riding horse which loves tobacco up to any good old eastern North Carolinian that ever rolled a quid under his tongue. The horse will take a quarter of a plug at a time and chew it with avidity and apparent delight. But the strangest feature of the matter is, he swallows the ambler without size of his establishment, and more to the char. DUFF'S MERCANTILE COLLEGE becoming sick at the stomach or head.

Last Sunday was a great day at Ply mouth Church, (Rev. Henry Ward Beecher a) Brooklyn. The Sacrament was administered to 2000 persons. In the fore-nion, it was announced that 186 persons Stoves, GRATES, FRONTS, PENDERS, had joined the church, 160 on profession of every description of Iron Castings. faith, and 25 by letter. ministered to 2000 persons. In the fore-

The Old Megro's Logic.

A clergyman asked an old sarvant his reason for believing in the existence of a God. The following was his sage reply: "Sir, I see one man get sick. The loc-tor comes, gives him medicine; the next day he is better; he gives him medicine; the next day he is better; he gives him mother doze, it does him good; he keeps on till he gets about his business. Another man gets sick like the first one. The doctor comes to see him; he gives him the same sort of medicine; it does him no good; he gets worse; gives him more; but he gets worse; gives him more; but he goes worse all the time till he dies. Now, that man's time to dic Bigler. had come, and all the dectors in the world couldn't cure him. One year I work in the cornfield, plow deep, dig up grass, and make nothing but nubbings. Next year, work the same way; the rain and dew come, and I must make a crop. I have been here going hard upon fifty years. Every day since I have been in this world, I see the sun rise in the east and set in the west. The north star stands where it did the first time Lever saw it; the seven stars in Job's offin Reeps in the same path in the sky, and turn out. It ain't so with man's works. He make clocks and watches; they run well It is useless to attempt the cultivation of stand stock still. But the sun moon and
