DOES Disease Originate in Impurity of the Blood?

This is a question of vital importance, and one which has never been satisfactorily disposed of by the professors who teach the healing art. Some maintain—and especially the old school Physicians—that life lives in the blood, and therefore all diseases originate in it—but modern science avers that ailments have their origination in both the solids and fluids of the body. That the latter preponderate, however, is a fixed fact, and medical skill has clearly demonstrated that at least two thirds of the ills that human flesh is heir to, have their source in an

IMPURE STATE OF THE BLOOD!

As for instance, in the long catalogue, such as Scrofula, Tetter, "Barber's Itch," Pimples Blotches, Erysipelas, Ulcers, Salt Rheum, discharges from the Ear, Fever Sores, or irruptive diseases of any kind. These are ascertained by well known medical laws to arise from bad blood—while the highest medical authorities declare that most fevers originate in the same manner, and more particularly Typhoid and scarlet—the former being an internal, and the latter an external irruptive disease; and in all persons attacked by these maladies, the blood is found to be either coagulated, or of a dark unhealthy color.

To ward off a large majority of diseases, as well as to cure a number which have already seized upon the system, it is necessary to

PURIFY THE BLOOD.

Lindsey's Improved Blood Searcher does not claim to be a

UNIVERSAL PANACEA

for every disease known, but the proprietors claim for it the power not only of draining out all impurities of the blood, but by the skillful combination of well known vegetable remedies, it will cure all diseases arising from a deranged state of the liver, drive out dyspepsia, and give renewed tone and vigor to the stomach.—That the Blood Searcher is all that is claimed for it, the proprietors can produce

THE PROOF.

It is only a few years since it was discovered, and yet it has grown into such a business that a large Laboratory has been built expressly for its manufacture—a large number of men employed in putting it up, and still the

SUPPLY DOES NOT EQUAL THE DEMAND!

We ask any candid man, could this be so, if the Medicine did not possess all the virtues claimed for it?

The Proprietors have hundreds of certificates from men of probity and standing in the community, showing what the medicine is doing daily for the suffering.

ASK ANY PERSON

who has ever used the Blood Searcher whether relief was experienced.

Let the afflicted give it a trial—a single bottle will convince the most skeptical of its efficacy.

The Greatest Medical Discovery OF THE AGE.

DR. KENNEDY, of Roxbury has discovered in one of our common pasture weeds a remedy that cures every kind of humor, from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases. (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of Pimples in the face.

Two or three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst cases of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and biches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers,

One bottle will cure scaly eruption of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure he most desperate case of rheumatism.

Two or three bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benifit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another after trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—In April 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a desease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

DIRECTIONS—Adults one table spoonful per day—Children over ten years dessert spoonfull. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by

DONALD KENNEDY,
No 120, Warren St. Roxbury, Mass.

THE MEDICINE OF THE MILLION

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of gorhaet.

BOWEL COMPLAINTS

Unless the bowels form their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma,	Diarrhœa, Indigestion,
Bowel Comp'ts,	Dropsy, Influenza,
Coughs,	Debility, Inflammation,
Colds,	Fever and Ague, Veneral Affc'n
Chest Diseases,	Female Compl'ts, Piles,
Costiveness,	Liver Compl'ts, Headaches,
Worm, all kinds,	Lowness of Inw'd wean's
Dyspepsia,	Spirits.

BEAVER MACHINE WORKS

Childs, M'Connell and Darraghs,

FOUNDERS AND MACHINISTS,

STEAM ENGINE Builders,

Fallston, Pa.

Respectfully call attention to the inducements offered for purchasing Engines and Machinery mentioned below. We have purchased the right to make and sell the

PATENT OSCILLATING ENGINE

of Messrs. Cridge & Wadsworth, and are now engaged in the manufacture of them at the lowest possible rates, which is about twenty-five per cent lower than the Slide Valve Engine—Their simplicity and durability, combined with their cheapness, and almost utter impossibility to get out of order, renders them the most desirable Engine to have.

The following is a list of the different kinds of Machinery which we have made. Persons wishing to procure anything of the kind, will do well to give us a call before purchasing elsewhere.

Double Slide Valve Reciprocating Engines, the same as manufactured at Salem, Ohio; Oscillating Engines, Cridge & Wadsworth's Patent; Tub and Bucket Machinery; Flour Barrel and Nail Keg Machinery; Planing Machines; Cylinder or Barrel Saws; Fire Brick and Clay Rollers; Starch Rollers, Pipes and Castings for extracting Oil from Cannel Coal; Flouring Mill Gearing; Pullies and Shafting; Muley, Sash, and Circular Saw Mills; Lath Machinery, &c., besides numerous other Machines which it is not necessary to enumerate.

We might add a long list of certificates, but deem any but the following unnecessary.

ECONOMY, December 24th, 1856.

MESSRS. CRIDGE, WADSWORTH & Co, Gentlemen:—We hereby certify that we have had one of your Oscillating Engines in use for nearly four months, and that it gives satisfaction in every respect. Its principal advantages over the common Engine are—

1st. Its simplicity, and the consequent facility to keep it in good order.
2d. It takes up much less room.
3d. It requires less pressure of steam to do the same amount of work; and is, therefore, worked with less danger and less fuel.

Respectfully yours,
R. L. BAKER
JACOB HENRICI,
Trustees

Watches, Clocks and Jewelry.

I WOULD most respectfully give notice to the citizens of Bridgewater, Beaver, Rochester and vicinity, that I have received a new stock of Watches, Clocks, Jewelry &c., which I can sell lower than can be had in Pittsburgh. It is but reasonable to say that goods can be sold lower here than in the large cities; our rent is less, and our living is less. I only ask you to call and I will try and sell the goods.

Particular attention paid to repairing Watches, Clocks and Jewelry; old Gold and Silver taken in exchange for goods or work. Remember the place; sign of the Big Watch, No. 2, Stewart's Row, Bridgewater. WM. PLATE.

A CARD.—Having relinquished the business and wishing to settle it, I have left all Watches and Jewelry left me for repairs, with Mr. Wm. Plate, where they can be had when called on. Having a personal knowledge of Mr. Plate, I would recommend him to my old customers for anything in his line.

FOR SALE.

THE subscribers offer for sale, upon reasonable terms, their STEAM SAW MILL, situated in the Borough of Hookstown. The location is among the best in the County, being located in a well timbered region of country; always enjoying a very liberal patronage. A description of the Mill is unnecessary, as it will recommend herself to persons desiring to purchase; suffice it to say, fearless of contradiction, that it is the best frame boiler Engine and other machinery necessary for a Saw Mill, south of the Ohio River. The only reason of the present owners for disposing of said property, is the fact of being engaged in other business, which requires almost the whole of their attention. Persons desiring to purchase a good paying property, would do well to call soon.
