He has also simplified the striking part of clocks, which enables him to reduce the price one-fourth; and repairs, at the lowest prices, horizontal, repeating, plain, and other watches, and musical, chiming, and plain clocks, with punctuality and dispatch, and warrants all the work done in his shop.

New-Haven Wharf Lottery.
THE Legislature of the State of Connecticut, at their session in December last, granted a Lottery for the purpose of extending Union Wharf; in the harbour of New-Haven, to the channel; and appointed the subscribers managers, who having given bond for the faithful discharge of their trust, present the public with the following

 Subject to a deduction of twelve and a half per cent.
 The public utility of extending this wharf, is too evident to require any comment, to those who are acquainted with the town and harbour of New-Haven; to those who are not, suffice it to say, that its beautiful situation is not surpassed, if equalled by any; being in the heart of a country, which may, with propriety, be said to be the garden of America. The harbour lays open to the sound but by reason of the flats, this wharf is necessarily extended to the channel, where ships can load and unload; and when completed, will be the most extensive and commodious wharf in America, the whole extent being about 3-4ths of a mile; and not only the mercantile interest of New-Haven and the towns adjacent, but the maritime interest of all the States will be benefited by it. The general wish that prevails in the minds of all classes of people, for the success of this enterprise, together with the very great advantage which this scheme holds out to adventurers (there being more capital prizes for the number of tickets than any yet published in America) induce the managers to believe the tickets will meet with a speedy sale.
 The drawing will positively commence at the State-House, in New-Haven, on the 15th of September next, or sooner, if the tickets are sold.
 A list of the fortunate numbers will be published, and the prizes paid on demand, by the managers. Those prizes not called for in nine months after drawing, will be deemed as generously given for the use of the wharf, and appropriated accordingly.
MANAGERS:
JAMES RICE, **MICHAEL TODD,**
JEREMIAH ATWATER, **ELIJAH AUSTIN,**
JOSEPH DRAKE, **JOSEPH HOWELL.**
 New-Haven, April 14, 1791.

A FINE CHANCE FOR A YOUNG PRINTER.
FOR SALE,
A Printing Press and Types,
 together with the right of publishing a PAPER, in good repute, the subscribers to which are continually increasing.—The present number of its patrons is between seven and eight hundred. The types consist of **BURGEOIS**, **PIEA**, and a sufficient quantity of larger letter to display advertisements to advantage. The situation is in the interior part of **MASSACHUSETTS**, in the centre of a populous and thriving community, and within 17 miles of an excellent Paper-Mill, where paper of every quality and size may always be had on short notice. Perhaps no country paper on the continent has a larger share of Advertisements than the one offered for sale. A very considerable profit also accrues from the sale of Blanks of all kinds, which are much used in the place—from the publication of Hand-Bills, &c. &c. It is a good situation, also, for a small Book-Store—and it is supposed the Book-Binding business might be carried on in the same place to advantage.
 For further particulars, enquire of **JOHN FERNO**, at his Office, No. 69, High-Street, between Second and Third-Streets, Philadelphia. (13w 8w)

ADVERTISEMENT.
HAVING completed the second volume of this Gazette, its patrons, and the public at large, are informed that it will be prosecuted on its original plan, with every improvement that friendship and ingenuity may suggest.
 The price of this Gazette, (published Wednesdays and Saturdays,) is Three Dollars per annum—one half to be paid at the time of subscribing.
 The utmost punctuality is observed in transmitting the papers to subscribers: The Editor thinks there is the fairest prospect that Information from the seat of government, to the extremes of the Union, will in future circulate with greater facility and certainty, than through the past winter.—Additional subscriptions from all parts of the Union are therefore solicited.
 This volume contains the laws of the two last sessions of Congress—the journal and debates of the house of Representatives—reports of the heads of departments—besides a greater variety of original communications immediately connected with the interests of the United States, than any other periodical publication.
 The Editor acknowledges with gratitude the punctual payments received from a great proportion of his subscribers—some arrears remain—which he is confident will very speedily be discharged.
 Payments may be made to the several persons of whom the papers are received.
 Advertisements of one square, or less, will be inserted in this Gazette, three times, for one dollar—subsequent insertions, twenty-five cents each; larger advertisements in proportion: No vehicle in the United States gives so immediate a circulation—and the number of each impression is at present fourteen hundred.
