New-Haven Wharf Lottery.

THE Legislature of the State of Connecticut, at their session in December last, granted a Lottery for the purpose of extending Union Wharf, in the harbour of New-Haven, to the channel; and appointed the subscribers managers, who having given bond for the faithful discharge of their trust, present the public with the following

NOT TWO BLANKS TO A PRIZE.

Subject to a deduction of twelve and a half per cent.

The public utility of extending this wharf, is too evident to require any comment, to those who are acquainted with the town and harbour of New-Haven; to those who are not, suffice it to say, that its beautiful situation is not surpassed, if equalled by any; being in the heart of a country, which may, with propriety, be said to be the garden of America. The harbour lays open to the found but by reason of the flats, this wharf is necessarily extended to the channel, where ships can load and unload; and when completed, will be the most extensive and commodious wharf in America, the whole extent being about 3-4ths of a mile; and not only the mercantile interest of New-Haven and the towns adjacent, but the maritime interest of all the States will be benefited by it.

The drawing will positively commence at the State-House, in New-Haven, on the 13th of September next, or sooner, if the tickets are sold.

A list of the fortunate numbers will be published, and the prizes paid on demand, by the managers. Those prizes not called for in nine months after drawing, will be deemed as generously given for the use of the wharf, and appropriated accordingly.

MANAGERS:

JAMES RICE, MICHAEL TODD, JEREMIAH ATWATER, ELIJAH AUSTIN, JOSEPH DRAKE, JOSEPH HOWELL.

New-Haven, April 14, 1791.

Who will pay the prizes which may be drawn by Tickets purchased of them in said Lottery.

Tickets in the Massachusetts Lottery that have drawn prizes, will be received in payment for the above tickets.

Public Notice is hereby given,

to all whom these presents shall come, or in any wise concern, That JAMES GARDNER, late of Wilmington, North-Carolina, deceased, did make four promissory notes payable to SAMUEL JACKSON, of Philadelphia, Merchant, all bearing date the 19th July, 1785, one for three hundred and seventy-one pounds, payable in six months—one for seven hundred and forty-two pounds, in nine months—one for seven hundred and forty pounds, in twelve months—and one for seven hundred and forty-five pounds thirteen shillings and three-pence, in fifteen months, amounting in the whole to two thousand five hundred and ninety-eight pounds thirteen shillings and three-pence, and payable in produce at Wilmington:—Which said notes have been assigned by the said Samuel Jackson to THOMAS MACKIE and Co. and JAMES HOOD, Merchants, Philadelphia, and have since, in the life-time of the said Gardner, by him been accounted for and paid in part to the amount of two thousand and forty-seven pounds fifteen shillings and six-pence, to the said THOMAS MACKIE, and Co. in proof of which the subscribers have sufficient vouchers.

There are therefore to caution all persons from purchasing said notes as they will not be taken up.
