New-Haven Wharf Lottery.

THE Legislature of the State of Connecticut, at their session in December last, granted a Lottery for the purpose of extending Union Wharf, in the harbour of New-Haven, to the channel; and appointed the subscribers managers, who having given bond for the faithful discharge of their trust, present the public with the following

The public utility of extending this wharf, is too evident to require any comment, to those who are acquainted with the town and harbour of New-Haven; to those who are not, suffice it to say, that its beautiful situation is not surpassed, if equalled by any; being in the heart of a country, which may, with propriety, be said to be the garden of America. The harbour lays open to the sound but by reason of the flats, this wharf is necessarily extended to the channel, where ships can load and unload; and when completed, will be the most extensive and commodious wharf in America, the whole extent being about 3-4ths of a mile; and not only the mercantile interest of New-Haven and the towns adjacent, but the maritime interest of all the States will be benefited by it. The general wish that prevails in the minds of all classes of people, for the success of this enterprise, together with the very great advantage which this scheme holds out to adventurers (there being more capital prizes for the number of tickets than any yet published in America) induce the managers to believe the tickets will meet with a speedy sale.

The drawing will positively commence at the State-House, in New-Haven, on the 13th of September next, or sooner, if the tickets are sold.

A list of the fortunate numbers will be published, and the prizes paid on demand, by the managers. Those prizes not called for in nine months after drawing, will be deemed as generously given for the use of the wharf, and appropriated accordingly.

A FINE CHANCE FOR A YOUNG PRINTER.

FOR SALE,

A Printing Press and Types,

together with the right of publishing a PAPER, in good repute, the subscribers to which are continually increasing—the present number of its patrons is between seven and eight hundred. The types consist of BURCHOIS, PICA, and a sufficient quantity of larger letter to display advertisements to advantage. The situation is in the interior part of MASSACHUSETTS, in the centre of a populous and thriving community, and within 17 miles of an excellent Paper-Mill, where paper of every quality and size may always be had on short notice. Perhaps no country paper on the continent has a larger share of Advertisements than the one offered for sale. A very considerable profit also accrues from the sale of Blanks of all kinds, which are much used in the place—from the publication of Hand-Bills, &c. &c. It is a good situation, also, for a small Book-Store—and it is supposed the Book-Binding business might be carried on in the same place to advantage.

For further particulars, enquire of JOHN FERRO, at his Office, No. 69, High-Street, between Second and Third-Streets, Philadelphia. (12w 8w)

All persons concerned will be pleased to take notice that the following advertisement has been varied from that published in our paper of the 23d of March.]
