Published by order of the Board, THOMAS M. WILLING, Sec'y. Philadelphia, Dec. 9, 1791.

ANNAPOLIS, January 1, 1792. At a Meeting of the Visitors and Governors of St. John's College, in the State of Maryland, on Thursday the 10th of November last,

RESOLVED,

THAT this Board, at the quarterly meeting in May next, proceed to elect a Vice-Principal of St. John's College.

That it be the duty of the Principal and Vice-Principal, to teach some of the higher Authors in Latin and Greek, certain parts of the Mathematics, Logic, and Moral and Natural Philosophy; and that the departments of the said Principal and Vice-Principal shall hereafter be ascertained with precision, on considerations of their mutual convenience and respective qualifications.

That the Vice-Principal shall be entitled to receive, for his services, a salary of three hundred and fifty pounds, current money, rating dollars at 7/6 each, to be paid quarterly.

That persons desirous of, and qualified for the appointment of Vice-Principal, be, by public advertisement, requested to make application to Mr. Charles Wallace, Mr. Charles Carroll of Carrollton, and Mr. Alexander Contee Hanson, all of the city of Annapolis.

By order of the Board, JOHN THOMAS, President.

N. B. The fundamental Laws of St. John's College prohibit all preference on account of religious tenets or opinions.

As the reappointment of a Vice-Principal is alone wanted, to complete the plan of this rising seminary, the Board will certainly proceed to the election at the stated time; provided a person qualified, in their judgment, for this important station, can be procured. The personal attendance of the candidates, although not positively required, will be obviously proper.

It may be useful to remark, that the salaries of all the professors and teachers have hitherto been paid with entire punctuality; and that the funds of St. John's College produce a certain annual income, superior to all the appropriations, which have been, or probably be made.

The Printers of newspapers throughout the United States, are earnestly requested to insert the above resolve and remarks—and to repeat the publication as often as convenience will permit.
