Dismal Swamp Canal Company.

PROPOSALS for cutting a Canal from the waters of Elizabeth
River in Virginia, to those of Pasquotank in North-Carolina,
or for conducting the work, will be received until the ninth day
of April next, by Robert Andrews, of Williamsburg; Thomas
Newton, jun. and Daniel Bedinger, of Norfolk, in Virginia; by
John Cowper, of Gates County; and Benjamin Jones, of Cam-
den County, in North-Carolina. The length of the Canal will be
about sixteen miles; the country through which it will pass, is
swampy, free from floods, and covered with heavy wood. The
Canal is to be thirty-two feet in width, and eight feet at least in
depth, below the surface of the earth, and capable of being navigated
in dry seasons, by vessels drawing three feet water.

Good security will be required of contractors; and persons
making application to be employed as managers, must produce
certificates (from characters of respectability) of their qualifications
for a business of this kind.

ANNAPOLIS, January 1, 1792.

At a Meeting of the Visitors and Governors of St. John's College,
in the State of Maryland, on Thursday the 10th of Novem-
ber last,

RESOLVED,

THAT this Board, at the quarterly meeting in May next, pro-
ceed to elect a Vice-Principal of St. John's College.

That it be the duty of the Principal and Vice-Principal, to
teach some of the higher Authors in Latin and Greek, certain
parts of the Mathematics, Logic, and Moral and Natural Philoso-
phy; and that the departments of the said Principal and Vice-
Principal shall hereafter be ascertained with precision, on con-
siderations of their mutual convenience and respective qualifications.

That the Vice-Principal shall be entitled to receive, for his ser-
vices, a salary of three hundred and fifty pounds, current money,
rating dollars at 7/6 each, to be paid quarterly.

That persons desirous of, and qualified for the appointment of
Vice-Principal, be, by public advertisement requested to make ap-
plication to Mr. Charles Wallace, Mr. Charles Carroll of Carrollton,
and Mr. Alexander Contee Hanson, all of the city of Annapolis.

By order of the Board,
JOHN THOMAS, President.

N. B. The fundamental Laws of St. John's College prohibit all
preference on account of religious tenets or opinions.

As the appointment of a Vice-Principal is alone wanted, to
complete the plan of this rising seminary, the Board will certainly
proceed to the election at the stated time; provided a person qual-
ified, in their judgment, for this important station, can be pro-
cured. The personal attendance of the candidates, although not
positively required, will be obviously proper.

It may be useful to remark, that the salaries of all the professors
and teachers have hitherto been paid with entire punctuality; and
that the funds of St. John's College produce a certain annual in-
come, superior to all the appropriations, which have been, or prob-
ably will be made.

The Printers of newspapers throughout the United States,
are earnestly requested to insert the above resolve and remarks—
and to repeat the publication as often as convenience will permit.

Of the real Estate of JOHN KIDD, late of the
Township of Bensalem, in the County of Bucks,
Esquire, deceased, pursuant to the Directions
of his last Will and Testament.

ON Tuesday the 27th of March next will be exposed to Sale,
by way of Public Vendue, on the premises—One exceed-
ingly valuable and highly improved Farm, containing about two
hundred and ninety-nine acres, situate on the river Delaware; on
which is erected a handsome two-story brick house, with a new
piazza in the front, two kitchens, a good barn, stables, hay-house,
and other convenient out-houses. A good orchard of the best kind
of grafted fruit, now in its prime; a large garden well fenced in,
and in good order; and a shad and herring fishery before the door.
This place is remarkably well timbered, has a sufficiency of mead-
ow, a large front on the river, and runs back to the post-road.

One other very valuable Farm, adjoining the above; containing
about two hundred and seven acres, the greatest part of which is
wood-land. There are on this farm a good house, barn, stables,
and other out-houses, with a young thriving orchard of the best
grafted fruit, and a shad and herring fishery. It has long been a
well accustomed tavern; and the ferry belonging to it, known by
the name of Dunks's, is noted for being well kept and much fre-
quented. Both the above places afford the best prospects on the
river, and are remarkably healthy.

One other small Farm, containing about sixty-three acres, situ-
ate in the township of Southampton, in the county aforesaid; on
which are erected two log-houses. There is a small orchard, and
a great sufficiency of wood-land and meadow ground.

One Lot, containing four acres, situate on the great post-road
leading from Philadelphia to New-York, and ten miles from the
former. On it is a good log dwelling-house, and work-shop ad-
joining, with a well of excellent water at the door: now in the
tenure of the Widow Ward.

Also, at the same time and place, will be sold all the remaining
Stock, Household-Furniture, Farming Utensils, and Wheat in the
ground.

N. B. The conditions of sale will be, one-third of the purchase
money to be paid down, and the remainder in two yearly pay-
ments with interest.

TO BE SOLD,

THAT beautiful and elegant situation on the banks of the Po-
tomack, adjoining the town of Alexandria, whereon the sub-
scriber now resides; about 25 or 30 acres will be sold with the
improvements, which are a neat and commodious two story house,
completely finished from the cellar to the garret, a kitchen, laun-
dry, meat-house, dairy, two story barn, and ice house, all finished
in the best manner, together with several other necessary out-houses,
the yard and garden neatly paved, and a skillful gardener now em-
ployed in putting it in fine order; the land well enclosed with a
post and rail fence; a well, and springs of excellent water—the
prospect is equalled by few, and excelled by none in America—
its contiguity to Alexandria, the Federal Town, and George-
Town, having a fine and full view of each place, must render it in
a few years of great value, being directly in a line of communica-
tion from Alexandria to the other two towns. Should a purchaser
offer before the 15th of February next, a cheap bargain may be
had. An indisputable title, clear of all incumbrances, will be made
by the subscriber. I will also sell with this place, 220 Acres of
Wood Land, about 3 miles distant, which will suit well to sup-
port the above in wood and timber.

homespun shirts, two pair shoes, and some summer cloaths. It is

POST-OFFICE,

PHILADELPHIA, January 29th, 1792.

ESTABLISHMENT of the MAILS for the Year 1792.

IN my advertisement of the 9th inst. I mentioned the
precise time of closing the different mails, at this office; and gave
notice, that letters must be left half an hour earlier, than there might
be time to make up the numerous mails. For all letters are to be
marked—accounts of them entered in a book—and transcripts of those
accounts made out, to send to the respective post-masters. But as some
gentlemen have not adverted to this notice, and to prevent mis-
takes in future, I request those who are possessed of my advertise-
ment of the 9th, to destroy it, and attend to the following, in which

HOLY BIBLE.---Royal Quarto.

MR. THOMAS, of Worcester, Massachusetts, most respect-
fully informs the public, that he has this day completed the
Old and New Testaments of his Royal Quarto Edition of the
HOLY BIBLE. The Apocrypha and Index, &c. will be accom-
panied with all the dispatch the nature of the work will admit.

Such Gentlemen as hold SUBSCRIPTION PAPERS, he begs will
return them to him at Worcester, or to him and Company at Boston,
by the last day of November next, and as much sooner as they con-
veniently can.

He is happy to inform the public, that the work has been ex-
amined by many gentlemen, clergymen and others, and has met
with their highest approbation; both as to the execution of the
printing, its correctness, and its cheapness compared with English
copies of the same size and quality.

As this very laborious and exceedingly expensive undertaking,
is carried on solely at his own cost, he is led to hope that all those
who wish to possess a large Family Bible, will so far encourage this
laudable undertaking of their countryman, as to add their names
to the subscription.

Worcester, Sept. 29, 1791.

ISAIAH THOMAS.

The price of this Paper is 3 Dollars per ann.
