

MILITIA FINES.

THE Collectors of Militia Fines in the City and Liberties of Philadelphia, and the districts of Moyamensing and Passyunk, are hereby required to collect and pay into the County Treasury, all arrears of fines, and to settle and deposit their books and vouchers in my Office, at No. 61, Walnut-street, on or before the first day of April next.

THOMAS PROCTER, Lieut. of the City and Liberties.

Philad. Feb. 25, 1792.

To be SOLD peremptorily, at PUBLIC VENDUE, on Wednesday the 11th day of April next,

THE SEAT of the late Doctor Lewis Johnston, deceased, in Perth-Amboy, containing TWO HUNDRED ACRES of LAND.

This place is bounded southerly for near a mile on the river Raritan, where it empties into the bay about 18 miles from Sandy-Hook, and affords two most agreeable situations for Gentlemen's Seats. There are now on it, two brick houses, with gardens, and a good collection of fruit trees of the best kinds.

There will also be sold, other Lots, within the bounds of the city, and about Five Hundred Acres of Land on the opposite side of the river Raritan—part of which is improved by a farm—on which there is a framed dwelling-house and barn, with an orchard of grafted apple trees, and will contain about one hundred and fifty acres; the remainder will be sold in convenient lots, well wooded and timbered, and very convenient for supplying New-York and other markets with fire-wood, timber for ship building, and other uses, the transportation by water being easy and safe.

JAMES PARKER and BOWES REED, Trustees to the said Estate.

Likewise to be SOLD, at the same time and place,

ELEVEN ACRES of LAND, adjoining the above, the property of the Proprietors of East New-Jersey, wherein the proprietary house lately stood. The elegant situation of this spot is hardly to be equalled; it affords a grand prospect of Raritan Bay, and of the Bay formed by the waters of Raritan and Hudson's rivers, where they disembogue into the sea to the East—and a most delightful one of the serpentine course of the Raritan river, for several miles, through a rich tract of meadow to the West. The great quantity of stone neatly dressed, and brick, the remains of the house lately burned, will be nearly sufficient for a new building; and a large stone cistern, and well of excellent water, with a very convenient stable and coach-house, will greatly lessen the expence of putting the place in order for the residence of a Gentleman.

Perth-Amboy, Feb. 15, 1792.

JANUARY 2, 1792.

INFORMATION is hereby given to all the military invalids of the United States, that the sums to which they are entitled for six months of their annual pension, from the 4th day of September, 1791, and which will become due on the 5th day of March, 1792, will be paid on the said day by the Commissioners of the Loans within the states respectively, under the usual regulations, viz.

Every application for payment must be accompanied by the following vouchers.

1st. The certificate given by the state, specifying that the person possessing the same is in fact an invalid, and ascertaining the sum to which as such he is annually entitled.

2d. An affidavit, agreeably to the following form:

A. B. came before me, one of the Justices of the county of ... and made oath that he is the same A. B. to whom the original certificate in his possession was given, of which the following is a copy (the certificate given by the state to be recited) That he served (regiment, corps or vessel) at the time he was disabled, and that he now resides in the ... and county of ... and has resided there for the last ... years, previous to which he resided in ...

In case an invalid should apply for payment by an attorney, the said attorney, besides the certificate and oath before recited, must produce a special letter of attorney agreeably to the following form:

I, A. B. of ... county of ... state of ... do hereby constitute and appoint C. D. of my lawful attorney, to receive in my behalf of my pension for six months, as an invalid of the United States, from the fourth day of September, one thousand seven hundred and ninety-one, and ending the fourth day of March, one thousand seven hundred and ninety-two.

Signed and sealed in the presence of

Witnesses.

Acknowledged before me,

Applications of executors and administrators must be accompanied with legal evidence of their respective offices, and also of the time the invalids died, whose pension they may claim.

By command of the President of the United States, H. KNOX, Secretary of War.

The Printers in the respective states are requested to publish the above in their newspapers, for the space of two months.

ANNAPOLIS, January 1, 1792.

At a Meeting of the Visitors and Governors of St. John's College, in the State of Maryland, on Thursday the 10th of November last,

RESOLVED, THAT this Board, at the quarterly meeting in May next, proceed to elect a Vice-Principal of St. John's College.

That it be the duty of the Principal and Vice-Principal, to teach some of the higher Authors in Latin and Greek, certain parts of the Mathematics, Logic, and Moral and Natural Philosophy; and that the departments of the said Principal and Vice-Principal shall hereafter be ascertained with precision, on considerations of their mutual convenience and respective qualifications.

That the Vice-Principal shall be entitled to receive, for his services, a salary of three hundred and fifty pounds, current money, rating dollars at 7/6 each, to be paid quarterly.

That persons desirous of, and qualified for the appointment of Vice-Principal, be, by public advertisement, requested to make application to Mr. Charles Wallace, Mr. Charles Carroll of Carrollton, and Mr. Alexander Contee Hanson, all of the city of Annapolis.

By order of the Board, JOHN THOMAS, President.

N. B. The fundamental Laws of St. John's College prohibit all preference on account of religious tenets or opinions.

As the appointment of a Vice-Principal is alone wanted, to complete the plan of this rising seminary, the Board will certainly proceed to the election at the stated time; provided a person qualified, in their judgment, for this important station, can be procured. The personal attendance of the candidates, although not positively required, will be obviously proper.

It may be useful to remark, that the salaries of all the professors and teachers have hitherto been paid with entire punctuality; and that the funds of St. John's College produce a certain annual income, superior to all the appropriations, which have been, or probably will be made.

The Printers of newspapers throughout the United States, are earnestly requested to insert the above resolve and remarks—and to repeat the publication as often as convenience will permit.

TO BE SOLD BY THE EDITOR,
