### JONES & BURROUCHS. STOCK-BROKERS,

STATE-STAEET, BOSTON. BUY and fell every kind of the Stacks of the United States, on Committion, by Private Contract, and Public Andian, These gentlemen who may be pleafed to favor them with their ands, may rely on fidelity, fecrecy and difpatch. Boftom. March. 1793.

THAT elegant SEAT at the Falls of Delaware, in the withing of Trenton, in New-Jerfey, occupied for many years pair by the fubferiber; containing upwards of 200 acres of land, periods a traft of wood-land of about 185 acres, at the diffuence of two miles. The tarm is divided by the main fireet leading from Trenton to Lamberton, and Philadelphia, into two parts, again equal in quantity; the eaffwardly part being arable land, in hid off in convenient fields, and in good farming order. The other part, bounded by the faid fitreet on the eaff, and by the river du the welt, forms a fquare; which, from the combined effect of fruation and improvements is generally allowed to be one of the most beautiful and definable leats in the flate. The manipon-house is a handfome, well-faithed brick building, 50 by 20, containing lose rooms on each floor, with excellent cellars, and a two floor brick kitchen; and commanding a very extensive and plesfing view of the river, both above and below, as well as including the falls, and the river, both above and below, as well as including the falls, and also of Trenton and the neighbouring feats and improvements on both fides of the river. Among the out-buildings are a new mone coach-house and stables, sufficient to contrain fix carriages and ten horfes, accommodated with a cutting and feeding room, and a ci-pacious loft for hay; adjoining these is a very complete granary, rat priof, and a frome cow-house, upwards of 100 fert in length, containing thirty-one paved stable, over which is a roomy lost for how dec. hay, dec. Adjoining the court-yard of the manhor-bould, is a ga-den of about two acres, extending towards the river, in the highed flate of culture, and abounding with a rich collection of the choicett fruits of almost every kind, and feveral large afpanague bein higher mounted. At a control of the collection of the beds, highly manured. At a convesient diffance from the man-hoa-houle, and ocarly in the centre of the figure, is a new, well-built, itone farm-houle, accommodated with a large check-mon, fpring-houle, garden, &c. a complete flowe fmoke-houle, comopring-noure, garden, acc. a complete none innoke-houle, com-cribs, waggon-houle, a capacious ice-houle, and every other me-cellary out-building. The ground is properly divided into fault helds, ait well watered, highly improved, and chiefly under the moft approved grafs. This fighter has produced annually, fur ho-veral years path, upwards of fixty tons of the beft hay, helides fupporting through the furmmer fealors twenty to think housed cattle, and eight or ten horfes. It contains also two bearing on-chards of good fruit. The river abounds, in the proper feiling, with great plenty of all kinds of file ufually found in trell water in this climate, and with a variety of wild-fow; both of when may afford a pleating amulement to the sportimen, as well as a convenient addition to the elegance and variety of his table. The whole of the land, except the wood-land, is included and divided by good fences, great part of which is formed of red cedar polity, and rails of ch-fout and white cedar. The purchaser may have the improved figurate leparately, or the whole tagether, as may and the tagether is an another the second s beft fuit him. There is an inexhauftible quantity of good built-ing flone on the river flore. The purchase money, if well formed, and the interest punctually paid, will not be demanded for many years.

years. Any perfon defirous of viewing the premiles, may be gratified on application to SAMUEL W. STOCKTON, Ele. of Theman, or Mr. INALLMAN, who at prefent occupies the tram-haufennd part of the land—and may know the price on applications on the fubferiber, at No. 213, South Second-firset, opposite southe Serv-Maiket, in Philadelphia. Difference (Markane) Philadelphia, March 7, 1793.

TO LESOLD peremptorily, at PUSLIC VENDUE, ou Wennehay the 11th day of April next, THE SEAT of the late Doctor Lewis Juhn/Jua.

deceafed, in Perth-Amboy, containing TWO HUNDRED ACRES of LAND.

This place is bounded foutherly for near a mile on the minn Raritan, where it empties into the bay about 18 miles from Snuty-Hook, and affords two moft agreeable fituations for Geniment' Seats. There are now on it, two brick houlds, with gardem, mit a good collection of fruit trees of the beft kinds. The land norm fertile, and a great part of it very good meadow; and from influ-ation on the river, has the advantage of fifth of different kinds, mu their feafons, particularly of oyfters and chicken ciams, whith may be picked in great plenty on the flats before the doors. In ina delightful, healthy fituation, capable of genteel and taffy improve-ments; and as Perth-Amboy is one of the beft fea-poets mille United States, and within 18 miles of the fea, the profpect all us increasing in value from that circumstance, is by no means means fiderable.

There will also be fold, other Lors, within the bounds of the city, and about Five Hundrey Actes of Land on the oppoint fint of the river Raritan-part of which is improved by a famm-m which there is a tramed dwelling-house and barn, with an andhink of grafted apple trees, and will contain about one bundled mu fifty acres; the remainder will be fold in convenient loca, well wooded and timbered, and very convenient for fupplying New-York and other markets with fire-wood, timber for flap builting, and other ufes, the transportation by water being easy and fafe.— The conditions will be made known at the day of him

and the requifite conveyances made by JAMES PARKER and BOWES REED, Truffees to the faid Einter

Likewife to be SOLD, at the fame time and place, ELEVEN ACRES of LAND, adjoining the above, the property of the Proprietors of EARND, anjoining the whete-in the pro-prietary houfe lately flood. The elegant fituation of this funt is hardly to be equalled; it affords a grand prolpect of Ramina Bay, and of the Bay formed by the waters of Raritan and Bud-fon's rivers, where they diffenbogue into the feat to the Eaft-and a most delightful one of the ferpentine courfe of the Raritan man, for feveral miles, through a tich tract of meadow to the Wiell The great quantity of flone nearly dreffed, and brick, the remains of the houle lately burned, will be nearly fufficient for a new building; and a large flone ciffern, and well of excellent warm, with a very convenient flable and crach-houfe, will greatly leffen the expence of putting the place in order for the refidence of a Gentleman. — There are few fituations fo eligible, patricularly in the fummer fealon-when the cool fea breezes, and the elevand fituations, render them places of pleafing retreat, from the confin ment and hiltry air of the fouthern flates and neighbouring clim. Perth-Amboy, Feb. 15, 1792. (epow)

N. B. Wanted, industrious, fober, Labouring Men, at the faid Mines, where conftant employ, good wages, and other encourage-ments will be given, means of conveyance being provided, and houses for their reception.

For further particulars enquire of Meffrs. Moszs Austin & Co. at their Factory in Richmond, or as above.

### Philadelphia, December 3, 1791.
