FOR SALE, BLOOMSBURY,

THAT elegant SE AT at the Falls of Delaware, in the vicinity of Trenton, in New. Jerfey, occupied for many years pail by the fubleriber; containing upwards of 200 acres of land, befides a tract of wood-land of about 185 acres, at the diffance of two miles. The farm is divided by the main fireet leading from Trenton to Lamberron, and Philadelphia, into two parts, nearly equal in quantify; the eaftwardly part being arable land, is laid off in convenient fields, and in good farming order. The other part, bounded by the faid fireet on the eaft, and by the river on the weft, forms a 'quare; which, from the combined effect of fitu-ation and improtement, is generally allowed to be one of the most beautiful and definable feats in the flare. The manfion-houfe is a handform, well-failfied brick building, 50 by 40, containing four rooms on each floor, with excellent cellars, and a two flory brick kitchen; and commanding a very extensive and pleafing view of the niver, both above and below, as well as including the fails, and alfo of Trenton and the neighbouring feats and improvements on both fides of the river. Among the out-buildings are a new flore coach-houfe and flables, fufficient to contain fix carriages and ten horfes, accommodated with a cutting and feeding room, and a ca-pacious loft for hay; adjoining theft is a very complete granzy, rat proof, and a flore cow-houfe, upwards of 100 feet in length, containing thirty-one paved flalls, over which is a roomy loft for hay, &c. Adjoining the court-yard of the manfion-houfe, is a gar-den of about two acres, extending towards the river, in the highed THAT elegant SEAT at the Falls of Delaware, in the vicinity containing thirty-one paved stalls, over which is a roomy loft for hay, &c. Adjoining the court-yard of the manfion-houfe, is a gar-den of about two acres, extending towards the river, in the highek fate of culture, and abounding with a rich collection of the choiceft fruits of almost every kind, and leveral large afparagus beds, highly manured. At a convenient diffance from the man-fion-houfe, and nearly in the centre of the (quare, is a new, well-built, flone farm-houfe, accommodated with a large cheefe-room, fpring-houfe, garden, &c. a complete flone fm&ke-houfe, combuilt, fione farm-houle, accommodated with a large cheele-room, fpring-houle, garden, &c. a complete flone fmake-houle, corn-cribs, waggon-houle, a capacious ice-houfe, and every other ne-celfary out-building. The ground is properly divided into *fmall* fields, all well watered, *highly* improved, and chicfly under the moft approved grafs. This fquare has produced annually, for fe-veral years paft, upwards of fixity tons of the beft hay, befides furnering, through the furners feature to their hours. fupporting through the fummer feafon twenty to thirty horned
