2. A convenient time not less than ten minutes, nor exceeding half an hour, for opening and closing a mail is to be allowed at each Post-Office, at which the time of its arrival and departure is not herein specified.

3. For every half hour's delay (unavoidable accidents excepted) in arriving after the times prescribed in any contract, the contractor to forfeit one dollar: and for the non-performance of a trip, double the sum which the value of one trip shall bear to the value of the whole number of trips to be performed.

4. The mail may be carried on any of the post roads herein described, either in stage waggons or on horses: but when the state of the roads prevents travelling in waggons with the necessary expedition, the mails are to be carried on horses.—Every mail-stage must have in it a box in which the mail is invariably to be carried, under lock and key.

5. News-papers, as well as letters, are to be sent in the mails: and if any contractor would wish to be authorized to carry news-papers, other than those conveyed in the mail (agreeably to the 22d section of the post-office law) he must, in his proposals, state the respective sums for which he will carry the mails with and without the emoluments which may arise from such separate carriage of news-papers.

**NEW POST ROADS,**

An extension of the Post roads having been desired, from *Connoyharriet* to *Whites-town*, and thence to *Kanandaigua*, in the state of *New-York*; from *Stockbridge* to *Bennington*, in the states of *Massachusetts* and *Vermont*; and from *Rutland* to *Windfor*, and *Rutland* to *Fairhaven*, in *Vermont*: Proposals for carrying mails on those routes, (at the expense of the contractors) will be received at the General Post-Office, until the fifteenth day of November next inclusively.—Persons offering such proposals, must state the days and hours when they will receive and deliver the mails at each place here mentioned, and the length of time (which cannot exceed eight years) for which they will contract.

The contractors, respectively, will have the exclusive privilege of carrying letters and packets on these roads, for hire; and be authorized to receive, to their own use, all the postages which shall arise on letters, packets and newspapers by them carried, at the rates established by law; but must carry, free of postage, such letters and packets as by law are, or shall be declared free.

For every hour's delay (unavoidable accidents excepted) in delivering a mail, after the time agreed on, the contractor to forfeit one dollar; and for the non-performance of a trip, one dollar for every ten miles distance, as far as the failure extends.

The persons whom the contractors shall designate for Postmasters, on these routes,—previous to their acting as such, must be approved by the Post-Master General, and take the oaths required by law. They are to agree for their compensations with the contractors, to whom alone they are to account for all the postages they shall receive. The same oaths must be taken by the contractors and their riders who carry the mails.
