Between William Shipley Complainant, John Meng and others Defendants. December 1st, 1792. In the high Court of Chancery of the State of New-Jersey. Present, His Excellency the Chancellor.

THE Complainant having filed his bill of Complaint against the Defendants in the month of September, seventeen hundred and ninety-one, and in the said Bill of Complaint did among other things set forth that the said Complainant being seized in his Demise as of fee of and in a certain Tract of Land, said to contain nine hundred and thirty acres, situate, lying and being in the township of Hardwick in the county of Sussex in the State of New-Jersey, did on the first of March seventeen hundred and eighty-five, bargain and convey the same in fee simple unto John Meng and John Henderson of the city of Philadelphia, William Goodwin and John Town, for the consideration of One Thousand Six Hundred Pounds in Gold or Silver—That on the fifth day of the same month of March the said trustees above named did execute unto the said William Shipley a Deed of Mortgage in fee simple of the said Tract of Land to secure the payment of the said sixteen hundred pounds, with the lawful interest which might thereon accrue—That in the year seventeen hundred and eighty-six the said John Meng and William Goodwin did become Bankrupts within the intent and meaning of the acts of the Legislature of the Commonwealth of Pennsylvania, and such proceedings were had against them that in the same month they were duly declared Bankrupts; and that they the said John Meng and William Goodwin did in some short time afterwards convey and transfer all their estate both real and personal, and particularly all their right and title to the premises above mentioned to John Field, Curtis Clay, James C. Fifer, Isaac Wharton, John Kaighn and Arthur Collins all of the city of Philadelphia, subject to the Mortgage aforesaid given to the said Complainant; that the said John Field, Curtis Clay, James C. Fifer, Isaac Wharton, John Kaighn and Arthur Collins soon after bargained, sold and conveyed all their Right and Title of and in the said Tract of Land unto Benjamin Town of the city of Philadelphia, and John Town, subject to the Mortgage aforesaid—That on the eighteenth day of October seventeen hundred and eighty-five, the said John Town and Benjamin Town did execute another Mortgage to the said William Shipley for securing the payment of twelve hundred pounds in certain installments—That in the month of January seventeen hundred and eighty-six, John Town did bargain and sell in fee simple all his Right and Title to the said premises, to the said Benjamin Town, subject to the Mortgages aforesaid—That in the month of February seventeen hundred and eighty-eight, the said Benjamin Town did convey all his Right and Title to the said premises, to John Field and Curtis Clay of the city of Philadelphia, upon certain Trufts unknown to the Complainant—That the said Benjamin Town soon after became Bankrupt, and in pursuance of the bankrupt laws of the State of Pennsylvania, did convey all his estate real and personal to a certain Robert Ralston—That John Henderson did also in the month of September seventeen hundred and eighty-seven become a Bankrupt, and under the bankrupt laws of the State of Pennsylvania, did assign and convey all his estate real and personal to David Lenox, George Hughes, Matthew Clarkson, Peter Baynton and Richard Bache—And the Complainant doth in and by his said Bill, pray that those having Right to the said Estate may be decreed to pay him what is due on the said Mortgages, or that the equity of Redemption be foreclosed by the Decree of this Court.

And now upon opening this matter this day by Richard Stockton, Esquire, being of the complainants counsel—it appearing to the Court that the said defendants do reside in the State of Pennsylvania, without the jurisdiction of this Court; and it appearing further to this Court that writs of subpoena have been taken out according to the course of this Court, that the said writs of subpoena have been duly served upon the said several Defendants upwards of one year from this day; and that none of the said Defendants have caused his or their appearance to be entered in this Court to the suit of the said Complainant: It is therefore ordered by his Excellency the Chancellor, that the said Defendants do cause their appearance to be entered to the suit of the above Complainant according to the rules of this Court in two months from this day, or that the Plaintiffs bill be taken pro confesso agreeably to the directions of the act of the Legislature in such case made and provided.—The Complainant giving notice and making publication of this rule as in and by the said act of the Legislature is provided.

WILLIAM PATERSON, Chancellor.

A GREAT BARGAIN.

FOR Sale, a beautiful situation on the Potowmack, adjoining the town of Alexandria and in a line of direction towards the Federal City and George Town, in full view of each place, commanding a prospect of the river and adjacent country of Maryland and Virginia, for many miles; about 45 or 50 acres of Land, lying directly on the river, will be sold, with the improvements, which are, a two-story framed dwelling-house, neatly finished, a kitchen, office, brick smoke-house and dairy, two-story framed barn, a well of excellent water, and an ice-house, a yard and garden, neatly railed and highly improved, with a number of other necessary improvements; the whole of the land enclosed with posts and rails, ten or fifteen acres laid down, with different kinds of grass. Its contiguity to those three towns must render it an object worthy the attention of any person who wishes to invest money in a property that must enhance in value, in proportion to the rapid increase of the Federal City, Alexandria and George-Town. This property lies nearly in a central situation to each place. The Potowmack at this spot has a fine deep shore and harbour, capable of receiving vessels of any burden. It may not be improper to observe, that men of judgment think a profitable and convenient Ferry might be erected here to the City of Washington and the Maryland shores leading to Baltimore and Philadelphia.—Also to sell, 215 acres of Wood-Land, about three miles distant, which will suit well to supply the above in wood and timber. The title may be seen to the above property, which is indisputable, and terms known by application to the subscriber, living on the premises.

GEOGRAPHY.
Mathew Carey

Respectfully submits to the Citizens of the United States, the following

PROPOSALS

FOR PUBLISHING BY SUBSCRIPTION,
An AMERICAN EDITION of

Guthrie's Geography
IMPROVED.

Of which these are the terms:

I. It shall be published in 48 weekly numbers, each containing three sheets, or twenty-four pages, of letter press, in quarto, printed with new types on fine paper.

II. In the course of the work will be delivered about thirty large maps, of the same size as those in the European editions, viz. most of them sheet maps on post paper.

III. Besides the maps in the British editions, this work will contain maps of as many of the United States as can be readily procured, executed by the best engravers in the United States.

IV. The price of each number will be a quarter dollar, to be paid on delivery.—No advance required.

V. The work will be put to press as soon as 700 copies are subscribed for.

VI. Subscribers who disapprove of the work, on the publication of the three first numbers, are to be at liberty to return them, and shall have their money repaid.

VII. The subscribers' names shall be prefixed as patrons of the undertaking.

Perhaps there is no science more entertaining and useful than geography. It reveals the discoveries of travellers—the remarkable curiosities of all countries, in nature and art—the situation of provinces, cities, towns, villages, rivers, & mountains—in fine, the history, manners, customs, laws, forces, revenues, and government of different nations.

It is an old observation, that "there is not a son or daughter of Adam, but has some concern with geography;" and that a knowledge of this science is indispensable towards the study of history with advantage or satisfaction. Indeed a man unacquainted with it, cannot discourse on the most common newspaper topics of the day without betraying his ignorance.

So much for geography generally. With respect to the present plan, let it suffice to remark, that Guthrie's Geography has been long acknowledged to be the best in the English language; however, the account of America in it has, from obvious reasons, been very erroneous and defective. The errors of former editions will be corrected, and the defects supplied, by gentlemen of abilities, who have engaged to superintend this undertaking, and to avail themselves of all the information that can be procured, to render it the most complete edition extant.

The Printer earnestly solicits the support of his fellow-citizens throughout the United States; and as no deposit is required, and every subscriber will be at liberty to withdraw his name, if, on trial, he should disapprove of the work, he hopes the friends of science, and of American arts and manufactures, will cheerfully and early patronize this useful work, the greatest and most expensive, probably, ever yet attempted in America, in the typographical line, the Encyclopedia excepted.

THE EDITOR—TO HIS SUBSCRIBERS.

THE Arrearages of Subscriptions for this Gazette have been for a long time accumulating. The expences of the publication are great and inevitable, and have annually amounted to MUCH MORE than the receipts for subscriptions; the consequences must be obvious. The Editor has no other resource than those arrearages, to discharge the debts he has been obliged to incur in prosecuting the publication.

He is therefore necessitated to repeat his application to those who have received subscription money on account of the Gazette, and those who have not paid what is due, to make remittances as soon as possible. On these receipts, the continuation of this Gazette, or the plan of an extensively circulating paper is also, lately suspended.
