Short-Hand.

Used by Mr. LLOYD, in taking down the Debates of Congress. A system so easy, that any man, of ordinary capacity, may clearly comprehend it in half an hour, and soon practise it, in its fullest extent, without any further instruction, than what will be conveyed in a few pages,—the whole ART being comprised in eighteen simple characters, without any of those perplexing, arbitrary marks, with which the learners of other systems are obliged to burden their memory, and embarrass their practice.

A GREAT BARGAIN.

FOR Sale, a beautiful situation on the Potowmack, adjoining the town of Alexandria and in a line of direction towards the Federal City and George Town, in full view of each place, commanding a prospect of the river and adjacent country of Maryland and Virginia, for many miles; about 45 or 50 acres of Land, lying directly on the river, will be sold, with the improvements, which are, a two-story framed dwelling-house, neatly finished, a kitchen, office, brick smoke-house and dairy, two-story framed barn, a well of excellent water, and an ice-house, a yard and garden, neatly railed and highly improved, with a number of other necessary improvements; the whole of the land enclosed with posts and rails, ten or fifteen acres laid down, with different kinds of grass. Its contiguity to those three towns must render an object worthy the attention of any person who wishes to invest money in a property that will enhance in value, in proportion to the increase of the Federal City, Alexandria and George-Town. This property lies nearly in a central situation to each place. The Potowmack at this spot has a fine deep shore and harbour, capable of receiving vessels of any burden. It may not be improper to observe, that men of judgment think a profitable and convenient Ferry might be erected here to the City of Washington and the Maryland shores leading to Baltimore and Philadelphia.—Also to sell, 215 acres of Wood-Land, about three miles distant, which will suit well to supply the above in wood and timber. The title may be seen to the above property, which is indisputable, and terms known by application to the subscriber, living on the premises.
