CONDITIONS.

I. The work is printing on a superfine paper,

clegant Copperplates.

CONDITIONS.

I. The work is printing on a fuperfine paper, and new types, (cast for the purpose) which will be occasionally renewed before they contract a worn appearance.

II. The work is furnished in boards, in volumes or half-volumes, as subscribers chuse; the price of the whole volumes, five dollars each, of the half-volumes two dollars and two-thirds of a dollar each. Ten dollars to be paid on subscribing, the volumes or half-volumes finished to be paid for when delivered, the price of one volume to be paid in advance, and the price of each succeeding volume to be paid on delivering the volume preceding it. No part of the work will be delivered unless paid for.

III. In the course of the publication will be delivered about five hundred copperplates elegonly engraved in Philadelphia: which by far exceed in number those given in any other scientific dictionary. At the close of the publication will be delivered an elegant frontispiece, the dedication, presace, and proper title pages for the different volumes.

It is expected the work will be comprised in about eighteen volumes in quarto.

The subscription will continue open on the above terms till the first day of September next, to give opportunity to those who are not yet subscribers, to come forward.

Those who have subscribed, and got only a small part of the work, are requested to complete their fetts, as far as published, as soon as possible, as after the first of next September, by which time the tenth volume is expected to be ready, the publisher will not consider himself bound to make up those fetts which are not completed up to that period.

Philadelphia, June 19, 1793.

Guthrie's Geography,

IMPROVED,
The terms of Subscription may be seen in the proposals at large.

This valuable work will contain (exclusive of the maps in the London edition of 1792) maps of New-Hampshire, Massachusetts, Connessiout, R. Islaud, Vermont, N. York, N. Jersey, Pennsylvania, Delaware, Maryland, Virginia, Kentucky, N. Carolina, S. Carolina, Georgia, Switzerland, the Discoveries of Captains Cooke and Clerke, and the countries round the North Pole.

Besides the great improvements in the Ame-

Besides the great improvements in the American Geography, the accounts of France will be extracted from the French Geography, published since the revolution; the map of France will be engraved agreeably to the division into departments; the history of Russia, which, in the London edition, is carried no farther than 1775, is continued to the late excerable invasion of Poland by Catharine; the account of Sweden has been compiled anew, and numberless other improvements will be made in this edition.

** Subscriptions are received by the book-fellers in Boston, New-York, Baltimore, Wil-mington, Richmond, Charleston, &c. &c.

Albany Glass-House.

The Proprietors of the Glass-Manufactory, under M'CLALLEN of Co.

DEG to inform the public, that they have now brought their W! NDOW-GLASS to fuch perfection, as will be found, on comparison, to be equal, in quality, to the best London

Crown Glass.

Having fixed their prices at a lower rate than imported Glass, they are induced to believe, that importations of this article will be discontinued, importations of this article will be discontinued, in proportion as their works are extended.—
They propose to enlarge the scale of this business, and as the success of it will depend on the patriotic support of the public, they beg leave to solicit their friendly patronage in the pursuit of a branch which will interest every lover of American Manufactures.

All orders for Window-Glass, of any fize, will be received at the Store of Rhodes and MacGrecor, No. 234, Queen-street, New-York, and at the Glass Warehouse, No. 48, Market-street, Albany, which will be punctually attended to.

GF WANTED, fix fmart active LADS, not exceeding 16 years of age, to be indented as Apprentices, and regularly instructed in the various branches of Glass-Making.

Also, three Window-Glass Makers, to whom great encouragement will be given.
