Albany Glass-House.

The Proprietors of the Glass-Manufactory, under the Firm of

M'CLALLEN, M'GREGOR and Co.

BEG leave to inform the public, that they have now brought their WINDOW-GLASS to such perfection, as will be found, on comparison, to be equal, in quality, to the best London Crown Glass.

Having fixed their prices at a lower rate than imported Glass, they are induced to believe, that importations of this article will be discontinued, in proportion as their works are extended.—They propose to enlarge the scale of this business, and as the success of it will depend on the patriotic support of the public, they beg leave to solicit their friendly patronage in the pursuit of a branch which will interest every lover of AMERICAN MANUFACTURES.

All orders for WINDOW-GLASS, of any size, will be received at the Store of RHODES and MACGREGOR, No. 234, Queen-street, New-York, and at the Glass Warehouse, No. 48, Market-street, Albany, which will be punctually attended to.

WANTED, six smart active LADS, not exceeding 16 years of age, to be indentured as Apprentices, and regularly instructed in the various branches of Glass-Making.

Also, three Window-Glass Makers, to whom great encouragement will be given.
