### Albany Glass-House.

The Proprietors of the Glass-Manufactory, under the Firm of

M'CLALLEN, M'GREGOR and Co.

BE leave to inform the public, that they have now brought their WINDOW-GLASS to such perfection, as will be found, on comparison, to be equal, in quality, to the best London Crown Glass.

Having fixed their prices at a lower rate than imported Glass, they are induced to believe, that importations of this article will be discontinued, in proportion as their works are extended.—They propose to enlarge the scale of this business, and as the success of it will depend on the patriotic support of the public, they beg leave to solicit their friendly patronage in the pursuit of a branch which will interest every lover of AMERICAN MANUFACTURES.

All orders for WINDOW-GLASS, of any size, will be received at the Store of RHODES and M'GREGOR, No. 234, Queen-Street, New-York, and at the Glass Warehouse, No. 48, Market-Street, Albany, which will be punctually attended to.

WANTED, six smart active LADS, not exceeding 16 years of age, to be indentured as Apprentices, and regularly instructed in the various branches of Glass-Making.

Also, three Window-Glass Makers, to whom great encouragement will be given.

### American Stocks.

THE Resources of the United States of America being, in proportion to their Debt, probably superior to those of any European Government; and they having made ample Provision for the Payment of the Interest of their Stocks, only two Arrangements more seem necessary to make them a very eligible Property to People in this Country; viz.

- 1st. To make them transferable in London; and
- 2d. To provide Means for paying the Interest or Dividends, in London, punctually on a certain Day without Expence.

To accomplish these two Objects, the annexed Declaration is published, and an Office is kept under the Direction of the Trustees, by Mr. Mark Leavenworth, where constant attendance is given, for the Purpose of receiving Stock, and making Transfers.

The Dividends will be received in America by the Trustees, and will be paid quarterly by the LONDON and MIDDLESEX BANK, Stratford-place, London, (as mentioned in the Declaration of the Trustees,) on the First Days of January, April, July, and October, without any Deduction.

It is hoped that these Measures will render making Transfers and receiving Dividends as convenient as at the Bank of England, or any other Place. Persons who wish to purchase American Stocks, or to transfer any other Business in them, by applying personally at the Office, or by Letter to Mr. Leavenworth, will be carefully attended to.  
Freeman's Court, Cornhill, May 16, 1793.

THE AMERICAN MUSEUM, from its commencement in January, 1787, to its termination in December, 1792, in twelve volumes, price, neatly bound and lettered, nineteen dollars and one fifth.

The opinion of the President of the United States, respecting this work, is as follows:

"I believe the American Museum has met with extensive, I may say, with universal approbation from competent judges; for I am of opinion, that the work is not only eminently calculated to disseminate political, agricultural, philosophical, and other valuable information; but that it has been uniformly conducted with taste, attention, and propriety. It to these important objects he superadded the more immediate design of rescuing public documents from oblivion—I will venture to pronounce, as my sentiment, THAT A MORE USEFUL LITERARY PLAN HAS NEVER BEEN UNDERTAKEN IN AMERICA, OR ONE MORE DESERVING OF PUBLIC ENCOURAGEMENT."

By this scheme at least the amount of the tickets will return to the fortunate adventurers, and yet the federal City will gain its object thereby, in a magnificent building designed both for public and private convenience.

Although some expence must necessarily attend the conducting of the lottery, (which expence will be taken from the principal prize) the Commissioners having agreed to present in return a sufficient quantity of excellent free-stone, together with the best adapted lots for the hotel and for the out-houses, the value of the lottery entire may be fairly rated at something more than par: In this important instance it will be found, on examination, to exceed all the lotteries that have ever been offered to the Public in this or perhaps in any other country. The keys of the Hotel, when completed, will be delivered to the fortunate possessor of the ticket drawn against its number.—All the other prizes will be paid, without deduction, in one month after the drawing, by the City Treasurer at Washington, or at such Bank or Banks as may be hereafter announced, for the convenience of the fortunate adventurers.

The drawing will commence on Monday the 6th of September next, at the City of Washington.

Tickets may be had of Col. Wm. Dickens, City Treasurer of Washington; Thayer & Bartlet, of Charleston, South-Carolina; Gideon Denison, Savannah; Messrs. James West & Co. Baltimore; Mr. Peter Gilman, Boston; and at such other places as will be hereafter published.

N. B. ONE HUNDRED DOLLARS will be given for the best Plan of an elegant and convenient HOTEL or INN, with hot and cold Baths, Stables, and other out houses, if presented on or before the 10th of April next; and a preference will be given to the Artist for a Contract, provided he be duly qualified to complete his plan. The ground on which the Hotel and out houses are to be erected, will be a corner lot of about 90 by 200 feet, with a back avenue to the stables, &c. Sections and estimates of the expence will be expected with the elevations, &c. complete; and 50,000 dollars must be regarded by the Architect as the utmost limit in the expence intended for this purpose.  
S. BLODGET,  
Agent for the affairs of the City.
