By this scheme at least the amount of the tickets will return to the fortunate adventurers, and yet the federal City will gain its object thereby, in a magnificent building designed both for public and private convenience.

Although some expense must necessarily attend the conducting of the lottery, (which expense will be taken from the principal prize) the Commissionets having agreed to present in return a sufficient quantity of excellent free-lots, together with the best adapted lots for the hotel and for the out-houses, the value of the lottery entire may be fairly rated at something more than par: In this important instance it will be found, on examination, to exceed all the lotteries that have ever been offered to the Public in this or perhaps in any other country. The keys of the Hotel, when complete, will be delivered to the fortunate possessor of the ticket drawn against its number.—All the other prizes will be paid, without deduction, in one month after the drawing, by the City Treasurer at Washington, or at such Bank or Banks as may be hereafter announced, for the convenience of the fortunate adventurers.

The drawing will commence on Monday the 6th of September next, at the City of Washington.

Tickets may be had of Col. Wm. Dickens, City Treasurer of Washington; Thayer & Bartlet, of Charleston, South-Carolina; Gideon Denison, Savannah; Messrs. James West & Co. Baltimore; Mr. Peter Gilman, Boston; and at such other places as will be hereafter published.

N. B. ONE HUNDRED DOLLARS will be given for the best Plan of an elegant and convenient HOTEL or INN, with hot and cold Baths, Stables, and other out houses, if presented on or before the 10th of April next, and a preference will be given to the Author for a Contract, provided he be duly qualified to complete his plan. The ground on which the Hotel and out houses are to be erected, will be a corner lot of about 60 by 200 feet, with a back avenue to the stables, &c. Sections and estimates of the expense will be expected with the elevations, &c. complete; and 50,000 dollars must be regarded by the Architect as the utmost limit in the expense intended for this purpose.

THE AMERICAN MUSEUM, from its commencement in January, 1787, to its termination in December, 1792, in twelve volumes, price, neatly bound and lettered, nineteen dollars and one fifth.

The opinion of the President of the United States, respecting this work, is as follows:

“I believe the American Museum has met with extensive, I may say, with universal approbation from competent judges; for I am of opinion, that the work is not only eminently calculated to disseminate political, agricultural, philosophical, and other valuable information; but that it has been uniformly conducted with taste, attention, and propriety. If to these important objects be superadded the more immediate design of relieving public documents from obligation—I will venture to pronounce, as my sentiment, THAT A MORE USEFUL LITERARY PLAN HAS NEVER BEEN UNDERTAKEN IN AMERICA, OF ONE MORE DESERVING OF PUBLIC ENCOURAGEMENT.”
