THE PANIC-MORE FAILURES.-The panic in New York seems to be on the increase. In this city everything goes on smoothly, and the only failures we have heard of were the failures to

furnish good fits made by some inferior clothing establishments. There is no such difficulty to

be encountered by those who patronize the Brown Stone Clothing Hall of Rockhill & Wil-son, Nos. 603 and 605 Chestnut street, above sixth. Gentlemen and Youths never fail to pro-

cure capital fits at this popular establishment. THE BEST COUCH MEDICINE.-One of the
