Yet many persons pass through life without once gazing on the glories of the rising Sun, or if they do view it, it is with a careless glance. A few hours only of feverish sleep need be sacrificed to behold the most gorgeous of scenes. A hardly less beautiful sight is the setting Sun. It suits well the dying season of the year. When we behold his last beams falling on the withered forest, it seems as though he were extinguished. What sad, though pleasing emotions, then fill the breast. We see the beautiful flowers which but a short time ago glowed to this place on Thursday evening, and we are cring on the plain. The leaves that during pected. Summer threw their flickering shades in the little babbling brooks or on the grassy forest paths, are now strewing the plain. Their once rich green has become sere, or changed to the color indicative of Autumn."

A NABROW ESCAPE !- Whose Hat?' On Wodnesday morning last, a black hat, nearly cut in two, (by car wheels, evidently.) was discovered on the Radroad track near Kittaning Point. Now we do not intend to make a stump speech, or any other kind of a speech but merely to ask you to "stick a pin there." when we inform you that our good natured friend, Jee Hileman, has just returned from Philadelphia with a large stock of Pall goods which he wishes to sell out and get the money for as soon as possible, if not sooner. Joe always brings a large and yaried assortment, and all those who deal with him know that he relis as cheap and treats people as cleverly as any other store-keeper in the place. THE PARTY OF THE P MAP OF BLAIR COUNTY. We were shown, a few days since, by Mr. Freed, an outline of his forthcoming map of Blair County, on which he has been engaged during the past summer. We believe it to be complete, so far as we are able to judge, and think it will give satisfaction. Mr. P. is now engaged in distributing circulars, (a copy of which will be found in another column) and receiving subscriptions. Views of a number of residences, phurches, public buildlags, &c., will be placed on the margin of the map, making it ornamental as well as useful. We hope the enterprising publishers may be well renumerated. Price of the map \$5,00

Dea\_Our fellow townsman, Col. L. W. Hall, the champion of popular sovereignty and the rights of the people, has been engaged during the past ten days in addressing the people at different points in this and adjoining counties, of the Congressional District. He spoke, on Thursday evening last, to quite a respectable sized meeting at Hollidaysburg, with telling effect, showing clearly, to any unprejudiced mind. that Mr. Pershing, the Democratic candidate is unsound on the great questions of the day.-Gen. Williamson, of Huntingdon, also spoke at the Hollidaysburg meeting, and, made his remarks felt. Col. Hall spoke at Bells Mills on Friday afternoon, at Tyrone on the same evening and at Martinsburg on Saturday afternoon. All of these meetings were well attended.

ROBBERY .- Christian Mosbach, of Altoona, a German pedlar, was returning home on Friday evening last with his wagon load of articles for Saturday sales, and was attacked near the Hollidaysburg toll gate, on the Altoona Road, about two o'clock at night, by two large bullying men, with knives presented nearly as large as flight from the grove and basks in the Sun's cleavers, and demanded of him that he surrender to them his fowls, &c., which he declined to do; but by their threats of his life, &c., they took several large turkeys, chickens &c., from his possession. Mr. Mosbach feels thankful that he got off with his life, with the loss of his fowls. Our advice to persons passing over the Plank Road is, not to be too late, and always go Bartley. A subscription for his benefit was started at the encampment, and the contributors, we understand, were very liberal.

HAND SMASHED .- Wm. McMonagal, brakes man on the Pennsylvania Railroad, had his hand badly crushed, at Altoona, on Saturday. He was in the act of coupling cars, when his hand was accidently caught between the bumpers. Fortunately it was not so seriously injured as to render amoutation necessary. - Stan

That we sincerely condole with his bereaved wife and friends, and commend them to the care and mercy of Him who has declared that he will be a "husband to the widow and a father to the fatherless."

Resolved, That as a token of respect to the deceased, the members of this Lodge will wear the usual badge of mourning, and the Lodge Room be craped for the space of thirty days. Recoived, That a copy of these resolutions be sent by the Scoretary, to the friends of the deeased Brother, and for publication in the Altoons Tribune, and Tyrone Star.

We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully, GPORGE W. HIGGINBOTHAM,
