The bins are made cary, in order to insure the rapid improve-tion and othe best citizens from New England and and the fines are erecting large improvements. It is the most of the greatest improvement out of Philadelphia.-which are setting there. It is an important busi-tions and other been from the length and breadth of the union are setting there. It is an important busi-menter and business men from this is and a great the union are setting there. It is an important busi-tions place, on account of its being in the midst of a great and the and other are setting there. It is an important busi-menter. Every article raised upon this land finds an imme-state also. The water is excellent, and no such thing as the interest is anony or clay learn, with a clay bottom and AMMONTON LANDS NEW ENG!

The soit is a sandy or clay loam, with a clay bottom and The soil is a sandy or clay loam, with a clay bottom and restative of manures. It is free of stones and easily work-ed. It abounds largely in the phosphates, and such is its firtility that from the crops produced both upon this land and the large area adjoining under cultivation, it will be found not to be excelled anywhere in the production of grops most adapted to its market. The reader may be well aware that the earliest and the best fraits and vegetables come from New Jersey, which are anually exported to the amount of millions of dollars. The iand, besides being accessible in every way for fartili-sers, has an abundant supply of the best quality of muck manure.

sers, has an abundant supply of the best quality of mack manure. Mamber and building materials can be had on the spot at scheap price, from the mills. Other mills are now being epened, and brickyards being started on the ground. A person can put up a frame tenement for present conveni-ence for one hundred dollars. On account of the extensive emigration, this is the best course to pursue in order to get a place to live in at first. Carpenters and builders are on Mand to put up houses on the best terms. In settling here the emigrant has many advantages. He within a fow hours' ride of the great cites of the Middle States and New England; he is near his old friends and as-sociations; he is in a settled country, where every improve-ment and comfort of civilization is at hand; he is in a heal-thy place, and is not subject to the certainty of loading the

The place, and is not subject to the certainty of losing the greater part of his family and his own health by those ma-lignant levers which make the graves of so many millions of the young and and hardy in the far off regions away from home and friends. Besides, he has a mild climate and an open winter. There are three trains daily to Philadelphia, and to all

There are three trains daily to Philadelphia, and to all There are three trains daily to Philadelphia, and to all those who improve the railread company gives afree ticket. The reader will at once be struck with the advantages here presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown in the market; and nuless these statements were correct no one would be invited to examine the land before purchasing. This all are expected to do. They will see the land under cultivation; they will meet persons, no doubt, from their ewn main borhood; they will witness the improvements, and can judge of the character of the population. Persons should come prepared to purchase, as many are locating, and locations are not held on refused. The Hammoulon Farmer, a monthly Literary and Agri-enitural shest, doutaining full information of Hammonton will be sent to each enquirer, and can be obtained at 25 cts per annum.

per annum. Title indisputable. Warrantee de ds given, clear of all incumbrance, when purchase money is paid. Route to the land:--Leave Vine street wharf, Philadelphia, for Hammon-ton; by railroad, at 7½ A. M., and 5½ P. M.; when there inquire for Mr. Byrnes. Boarding conventences will be yound. Letters and applications can be addressed to S. B. COUGHLIN, 202 South FIFTH Street, below Walnut, Phil-adelphia. Maps and information cheerfully furnished. September 2, 1858-3m.
