LADIES BARAR. The ladies connected with 3t. John's Church in this place, will open their Boar in the room over Lowiker and Plack's Barst in the corner of Annie & Virginia streets on the 11th of November, and will keep it open on three days. From the arrangements already made, we predict that this will be one of the fact displays ever got up in this place. The proceeds are to be applied to the liquidation of the debt incurred in the erection of a parsonage for their Minister, Rev. J. Twiggs, and we have no doubt a handsome sum will be netted. Those who have the affair in charge are fully competent to the task, and will do their best to make the Bazar a great centre of attraction while it s open. Almost every variety of goods, such a gold watches, and jewelry, clothing, books, to, will be offerred. Bear in mind that the Burar opens on the 11th of November, and pay

THE MODEL IN BLAST .- In styling the new store-room of Messrs. J. & J. Lowther, the model, we speak the truth. It is decidedly the handsomest store-room in this section of the country, and is worth a visit to see it alone.-But that is not all; they have just opened out an assortment of goods which would do credit to a fancy store on Chesnut street, and excels in beauty and variety the finish of the room.-We knew when we predicted that they would bring a good assortment of goods, that we would be sustained in our assertions. They have inaugerated a new feature in store-keeping in Altoons. They deal in dry goods alone, and consequently are enabled to present a greater variety, a better quality—and sell at lower fignres than those who combine all classess of merchandize. If you wish to view the beautiful and useful combined, go to Lowther's.

OBITUARY .- It is our painful duty, this week. o record the death of one of our most respected citizens, Dr. G. D. Thomas, which event occured at 1 o'clock, on Tuesday morning last. The or, had been suffering from a disease, known as dropsy or softening of the heart, for some two or three months past. It was evident to himself as well as others, that he could not possibly recover, and although his death was daily anticinated, the announcment was received with no css sorrow. In this dispensation of Divine Providence the community feels that it has sustained a loss not easily repaired. He was universally beloved and respected by all who knew him—was a true christian, a faithful friend and a worthy member of society. His bereaved family and relatives have the sympathy of the catire community. We shall publish a more extended notice of the deceased next week.

DISTRESSING INTELLIGENCE. - In the Baltimore Sun, of Saturday last, we find a three line paragraph stating that Kansas papers contains an account of the murder, on the Little Blue, of George W. Shermer, a printer from Pennsylvania. The account is very unsatisfactory and the locality entirely unknown to us. From the reading of the paragraph, however, we have no doubt but that the murdered man is the same person who worked in this office some two years since and who left for Kansas about the first of May, 1857. At last accounts recived from him by his mother, who resides in this place, he was engaged in trading on the Northern waters of the Territory, and it is supposed that he had considerable money about his person, for which he has been murdered. We have instituted inquiry in the case and hope to receive something more definite in a short time.

CHEWING TORACCO IN CHURCH.—The following which we copy from an exchange, is applitable to this place :--

"This fifthy and ungentlemanly practice prevails to an annoying extent in our town, and for the benefit of those addicted to it, we publish the following lines, which are to the point. They were handed to us by a gentleman connected with one of our churches, the floors and walls of which have been very much discolored and damaged by the vile weed:-

Ye chewers of the noxious weed
Which grows on earth's most cursed sod,
be pleased to clean your filthy mouths
Outside the sacred ' House of God.' Throw out your plug and cavendish, Your tail, your twist, your honey-dow, And not presume to spit upon.
The pulpit, aisle, or in the pew.

BURGLARY.—Some burglar or burglars effected an entrance into the grocery store of Geo. T. yphers, on Montgomery street, on Saturday hight last, by wrenching off some iron bars placed over a back cellar window. It appears they must have went direct to the money rawer, into which they fitted a skeleton key, which started a patent alarm attached to it, and caused the rascals to beat a hasty retreat without getting any booty. The drawer contained a few hundred pennies, and some \$13 in Furpace script. In their rapid flight the burglars strewed the cellar with matches. People sho'd loook well to their premises, for we have resident burglars among us ready to go into the most desperate ventures .- Whig.

ANOTHER ENTERPRIZE. Our friend Lewis Plack announces by Posters and through our advertising columns, that he has opened a grocery & hardware store, in the new building on the corner of Annie & Virginia streets, where the public can find an assortment, in his line, unequalled in this section of the country. His store-room is large and he has it well filled .-He will keep everything in the line of groceries, hardware, queensware, wooden and willow ware. Flour, feed, &c., and take in exchange for goods! all kinds of country produce. Give him a call, friends, his room and assortment are worth

REVIVAL MEETINGS.—The revival meetings in the Methodist and United Brethren churches are still in progress and increasing in interest. The alters are nightly crowded with Penitents, and a number have professed to have found ace in believing, and united themselves with the church. May God speed his own work and increase the number of convicted. Ministerial aid is needed and we hope that it will be sup-

BALDNESS CURED .- For real worth, Wood's Hair Restorative undoubtedly the best preparation now in use, for restoring hair on hald heads. changing gray hair to its original color, and as cosmetic or cure for pimples, it is fast taking Corn Meal, the place of other preparations. No toilet now- Dry Apples,

Use none unless the words Professor Wood's Hair Restorative, Depot St. Louis. Mo., and New York), are blown in the bottle. Sold by all Druggists and Potent Medicine dealers, also by all Pancy and Toilet Goods dealers in the United States and Canada. See advertisement in this weeks paper.

THE STRENGTH OF THE BODY. The strength of the body depends upon the strength of the lungs, the big, full chest is a sure indication of strong man, hence all should study to keep it healthy, and avoid those sure sappers of the constitution, Coughs and Colds, for which no medicine is better adapted than "Dr. Keyser's Pectoral Syrup," a remedy known all over the country as invaluable in Diseases of the Breast and Lungs. You can buy it at G. W. Kessler's in this place.

STILL ON FIRE.—The mountains in this vicinly are still on fire, and will likely continue to burn until we have rain, which is now badly needed. Almost all the mountains along the line of the Railroad are on fire. The sight presented by the mountain apposite Mount Union on Saturday evening last, was beautiful and terrific. Much property has already been destroyed and much more must suffer, daily, until the clouds let down in copious showers.

PATENT SLEEPING CARS. -- Woodruffs Patent Sleeping Car, which we noticed some time since is now running regularly on the Penna. Railroad, and the rush to obtain berths therein at each end of the route, is very great. The cost of the car was \$2800, and the income per day by charging 50 cents for a seat therein, is \$27, 50. We learn that the Company are having a number of these cars built on their own account.

"In a Few Days."-McCormick, the store seeper down town, is now in the city, laying in his stock of Fall and Winter goods, and will be THE MODEL IN BLAST on hand "in a few days," with a little the handsomest and cheapest assortment he has ever yet purchased, and all know that he is fa- and are now opening the largest and nicest Stock of mous for his fine assortment and low prices .-Wait for the wagon" ladies and gentlemen. and you will see something handsome.

LIBEL SUIT WITHDRAWN.—We are pleased to keep so many varieties; and as we will not be compelled to sell Dry Goods, &c., at a high profit to make up for losses on other goods, we hope to be able to dispose of them at neighbors of the Tyrone Star and Hollidaysburg LIBEL SUIT WITHDRAWN.—We are pleased to Standard, has been withdrawn by arrangement between the parties—the dest. to pay the costs | We have Prints, Delaines, Ginghams in the case and withdraw the offensive words. __ | Cashmere, and all-wool Plaids: De-This has been done, and on leave of Court. Dis. Att. Hewit entered nolle pros. This is as it should be.

WHY NOT DRESS.—Yes, why may not every person in the town and surrounding country wear a suit of clothes equal to those worn by the aristocratic, when they can buy the material so cheap and be fitted so neatly at the merchant tailoring establishment of John O'Donnell, next door above the National Hotel, on Main street. Let those in want of a good suit or part of a suit, call upon Mr. O'Donnell.

Home Again.—We notice that the "Great Southern Train" is again under the command of the model conductor, Jim Cramer, His trip to the west we hope was a pleasant one. He has not informed us whether he found any of the "yelloy boys" in his travels, but presume he seen the "elephant."

TAKEN HOME.—James Plummer, the young man who was injured at the late encampment, was removed to his bome at Bald Eagle Furnace on Saturday last.

THE PANIC-MORE FAILURES.-The panic in New York seems to be on the increase. In this city everything goes on smoothly, and the only failures we have heard of were the failures to furnish good fits made by some inferior clothing establishments. There is no such difficulty to be encountered by those who patronize the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 608 and 605 Chestnut street, above sixth. Gentlemen and Youths never fail to procure capital fits at this popular establishment.

THE BEST COUGH MEDICINE .- One of the very best Cough Medicines to be found anywhere, is Dr. Keyser's Pectoral Syrup, sold by G. W. Kessler, at 50 cents per bottle.

See advertisement of Dr. Sandford's LIVER INVIGORATOR in another column.

This is a purely vegetable compound, prepared on strictly

Holland Professor, Boerhave: Because of its great success
in the most of the European States, its introduction into
the United States was intended more especially for those
of our fatherland scattered here and there over the face of

them, I now offer it to the American public, knowing that its truly wonderful medical virtues must be acknowledged. It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the sent of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

CAUTION.—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing.
