THE TASTE RESTORATIVE TROCILES THE TASTE RESTORATIVE TROCHES Are designed to counteract these baneful influences, and have proved completely successful in a multitude of cases, and wherever used. Being harmless in themselves they exert a beneficial effect upon the entire system, restoring the Taste which has become vitiated or destroyed by great indugence, completely removing the irritation and accom-panying tickling sensation of the Threat-which are al-ways consequent npon abstaining from the use of Tobacco, and by giving a healthy tone to the Stomach, invigorate the whole system. Persons who are irretrievably undermining their consti-tutions and shortening their lives, should use these Troches immediately and threw off the injurious and and unpleas-ant habit of Tobacco Chewing.

These Troches of Lozenges are put up in a convenient and portable form at the low price of 50 Cents per Box. A lib-
