A short time after dinner they again made their appearance and paraded through different portions of the town. This company is one, which has recently been organized and has not yet received its arms. They numbered between 80 and 40 members and are a fine looking company .---Their appearance made the town very lively during the day, and all were no doubt pleased

TOOTHACHE This disease can be cured by DR. KEYSER'S TOOTHACHE EMEDY, prepared by him in Pittsburgh, Pa., which is put ip in bottles and sold at 25 cents each. It is an excellent medicine, when diluted, for spongy and tender gums, and s worth ten times its price to all who need it. Sold here await further investigations. This loss falls by G. W.
