TR. COGGSWELL'S NEW MEDI-J. CAL SALT Por Inflammatory Diseases only

Dr. Coodswall's New Meritaat Salt, instead of being s remedy for all life, has but one aim, and accomplishes but one thing, to wit: Subduce inflammatory disease, whatever be its form or locality. This it does by equalizing the circulation, thereby removing the sole cause of inflamation.

RESUMATION, NEURALGIA, Headache, Pita, Colds, Fevers, Inflamed Throat, Langs, and Liver, Female Diseases Erylinders, Bronchitis, Plenrisy, Asthma, Dyspepsia, Veneral Diseases, Gott, Scrofula, Canker and all other forms of Inflamation are easily subdued by the New Medical Salt.

THE NEW MEDICAL SALE, is no CURP-ALI, but does just what it claims to do—no more, no less—equalizes the cir-culation by removing from the system all arterial and remove obstructions.

MULTIPLES HAVE THEN the virtues of the New Medical Salt, though but lately discovered and introduced. Wit-ness the testimonials and certificates of cure. All who have used it acknowledge a benefit from it— An acquaintance of ours was cured of a severe case of Neu-ralgia in less than a week.

YOUR INVALUABLE MEDICINE is nobly fulfilling, in my case, all the promises which you made for it. A few doses also relieved my mother of a rush of blood to the head.

J. P. GILLINGHAM, Phila.

INFLAMMATORY RHEUMATISM was my complaint. The first package did the work effectually, as not a vestige of Rheumatism is left.

G. H. DUNCAN, New York: I Know ir is good for Rheumatism, removing it in a few hours. I am now trying it for Scrofula and have already received benefit.

QUFFERING HUMANITY, READ THIS.—The undersigned takes this method of informing the public generally that there is no medicine now offered to the public that is equal to DU VALL'S GALVAN-IC OIL in relieving suffering humanity.

I was an observer of its effects on a friend of mine, who

suffered almost everything from a neuralgic affection which registed the best medical treatment in Centre county. We applied freely the Galvanic Oil to the painful part, and gave some inwardly, and in 20 minutes the pati at was asleep, and when awakened was free from pain and continued so. This is a positive fact which I am willing to make good at any time. A case of Folon was cured in nearly the same length of time.
