INHUMANITY.—Inhumanity appears to be the principal trait in the character of a number of juveniles in this place. They are not in their element unless they can come across a dog, dog, chicken, or some other dumb animal or fowl at which they can cast a stone and cripple or injure it.

Autumn.—The season of the "bear and yellow leaf" has come again. The forests are rapidly changing and everything indicates that summer's glories have fled.

Burglary.—On Wednesday morning a week ago, Mr. John H. Roberts, upon opening his store, discovered that seven pairs of boots were "among the things that were"—there the night previous.

A New Book.—We have just received from the author, U. J. Jones, a copy of a book entitled "The Rights of Railway Travelers and the Rights of Railway Companies in their various capacities as Common Carriers," being facts of importance to those not versed in railway law.

Success.—An old man named Trice, who had been living about Springfield Furnace for a number of years, committed suicide on the morning of the 15th instant, by hanging himself with a halter to a tree, near his own house.

A sensible clergyman of Cincinnati writes to the Commercial agent the "absurd vulgarity of whipping children," and asks: "Cannot something be done by our school board to stop this relic of barbarism in our public schools?"

Accident.—On Monday last, about 10 o'clock, a truck-lady, in Maurice Fitzgerald gang, named Alexander Sharp, engaged in laying track on the road between Birmingham and Spring Creek, attempted to jump on an East-bound freight train, for the purpose of carrying three or four hundred yards to the place where he had left his dinner.

Protracted Meeting.—A protracted meeting has been in progress in the United Brethren Church in this place for some time past, which has resulted in the awakening and conversion of quite a number of persons.

ARMED LOGAN RIFLE RANGERS. Monday Evening, Sept. 28th, 1899. We, the members of the Altoona Rifles Band, attached to the Logan Rifle Rangers, take this method of returning thanks to those through whose exertions our recent trip to Camp Logan was rendered so pleasant.
