HOSTETTER'S STOMACH BITTERS.

To is a fact that, at some period, every memher of the human family is subject to disease er disturbance of the bodily functions; but, with the aid of a good tonic and the exercise plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired shiest, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and Mfe. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters eperate powerfully upon the stomach, bowels. and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these itters have no equal.

Diarrhoes, dysentery or flux, so generally coneracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any ther, and the cause of which may always be attributed to derangements of the digestive ergans, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind: then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated based upon scientific experiments which have tonded to prove the value of this great preparation in the scale of medical science. FEVER AND AGUE. - This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally uscless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create

of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is re-moved as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the ohild, consequently her strength must yield, and here it is where a good tonic, such as omach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing,

nausea nor offend the palate, and render un-

should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness. CAUTION .-- We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STONACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph

signature is on the label. 83 Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

"For the last twelve years I have been more or less troubled with Inflammatory Rheamatism, commencing early in the Spring, and lasting until cold weather set in, when I would be relieved for a while, only to be attacked again in the Spring. All my joints would swell and be very sero, attended with the most acute pain. My Set, shoulders, arms, and hands troubled me most, so much so that I could scarcely walk, and almost always required assistance in dressing. During this time I would try everything I could hear of, in the hope of finding a cure. I also tried several physicians, but nothing seemed to help me that I could scarcely walk, and almost always required assistance in dressing. During this time I would try everything I could hear of, in the hope of finding a cure. I also tried several physicians, but nothing seemed to help me the least in the world. About two and a half years ago I was attacked as usual, and as usual tried everything to get rid of it, but to an purpose. I kept growing worse, and finally had to give up and stay in the house, where I was confined about four weeks. This time my feet swelled, and were so sore that I could not stand on them or get on my boots, and my hands swelled to twice their usual size. In fact, I was, to all appearances and belief, totally used up. About this time my parents, who reside in Mains, sent for me to come home. I went and after my arrival I commenced trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to dress myself or to raise my hand to my head, and suffering the most excruciating pain all the time—one day my father came in with a paper in which was advertised Dr. Coggswell's MEDICAL SALT, for Inflammatory Diseases only, and wanted me to read and see what I thought of it. I read and laughed at it, pronounced it a humbug, and told him that I had been humbugged enough. He kept urging me, and at last mid I could but try it, and if I would write to Dr. C., giving him a description of my disease, he would ple the expense. Of course I could not refuse such an offer and sent for one box. It came in due session, but my faith was not increased, and I laughed at the idea of so small a dose doing me any good, and told my wife that I believed Dr. C. and his Salt both humbug.—However, I commenced using it and the result was per facity astonishing. I could hardly realise it myself. I alopt soundly all night, which I had not done for a long time, and when I wwell that I hardly realise it myself. I alopt soundly all night, which I had not done for a long time, and when I would have free from pain. I had then taken but

A population of some Fifteen Humberd, from various parts of the Middle States and New dred, from various parts of the Middle States and New dred, from various parts of the middle States and New dred, from various parts of the middle States and New dred, from various parts of the Middle States and New dred, from the Middle States and New dred, from the Middle States and Middle State dred, from various parts of the Middle States and Ales England have settled there the past year, improved their places, and raised excellent crops. The price of the land is at the low sum of from \$15 to \$30 per acre, the soil is of the best quality for the production of Wheat, Clover, Own. Peaches, Grapes and Vegetables. IT IS CONSIDERED THE BEST FRUIT SOIL IN THE UNION. The place is perfectly the form of the far-BEST FRUIT SOIL IN THE UNION. The place is perfectly secure from frosts—the destructive enemy of the farmer. Crops of grain, grass and fruit are now growing and can be seen. By examining the place itself, a correct judgment can be fermed of the productiveness of the land. The terms are made easy to secure the rapid improvement of the land, which is only sold for actual improvement. The result has been, that within the past year, some three hundred houses have been erected, two mills, one steam, four stores, some forty vinyards and Peach orchards, planted, and a large number of other improvements, making it a desirable and active place of business.

THE MARKET,

as the reader may perceive from its location, is the BEST IN THE UNION.

It is known that the earliest and best fruits and vegetables in this latitude come from New Jersey, and are annually exported to the extent of millions.

In locating here, the settler has many advantages. He is within a few hours ride of the great cities of New England and Middle States, he is mear his old friends and associations, he is in a settled country where every improvement of comfort and cialization is at hand. He can buy every article he wants at the cheapest price, and sell his produce for the highest, (in the West this is reversed,) he has schools for his children, divine service, and will enjoy an open winter, and delightful climate, where fivers are utterly unknown. The result of the change upon those from the north, has generally been to restore them to an excel-

the north, has generally been to restore them to an excel-lent state of health.

In the way of building and improving, lumber can be obtained at the mills at the rate of \$10 to \$15 per thousand. Bricks from the brick yard opened in the place, every ar-ticle can be procured in the place, good carpenters are at hand, and there is no place in the Union where buildings and improvements can be made cheaper.

The reader will at once be struck with the advantages there presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown been taken up before. The reason is, it was never thrown in the market; and unless these statements were correct, no one would be invited to examine the land before purchasing. This all are expected to do. They will see land under cultivation, such is the extent of the settlement that they will no doubt, meet persons, from their own neighhorhood; they will wit less the improvements and can judge the character of the population. > Dr. M'LANE'S CELEBRATED VERMIFUGE

LIVER PILLS. WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popula lar remedies now before the public.

We refer to Dr. Chas. M'Lanc's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for

what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals

subject to Worms. THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quir nine, they almost invariably make a speedy and permanent cure. As specifics for the above men-

tioned diseases, they are Unrivaled,

and never known to fail when administered in accordance with the directions. Their unprecedented popularity has induced the proprietors,

FLEMING BROTHERS, PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
