## HOSTETTER'S STOMACH BITTERS.

Is is a fact that, at some period, every member of the human family is subject to disease er disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the sys-

tem to triumph over disease. For the cure of Dyspepsia, Indigestion, Nausea, Flatnlendy, Londof Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoen, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HÖSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great

preparation in the scale of medical science. FEVER AND AQUE. -This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as specify as is consistent with the pro-

duction of a thorough and permanent cure. For Persons in Advanced Years, who are suffering from an enfectled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as, Hostetter's Stomach Bitters, is needed to impart ary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stonach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

DR. COGGSWELL'S NEW MEDI-

"Por the last twelve years I have been more or less
troubled with Inflammatory Rheumatism, commencing
early in the Spring, and lasting until cold weather set in,
when I would be relieved for a while, only to be attacked
again in the Spring. All my joints would swell and be
very sore, attended with the most sente pain. My feet,
shoulders, arms, and hands troubled me most, so much so shoulders, arms, and hands troubled me most so much so that I could starcely walk, and almost always required assistance in dressing. During this time I would try every-thing I could hear of, in the hope of finding a cure. I also tried several physicians, but nothing seemed to help me the least in the world. About two and a half years ago I was attacked as usual, and as usual tried everything to get was attacked as usual, and as usual tried everything to get rid of it, but to no purpose. I kept growing worse, and finally had to give up and stay in the house, where I was confined about four weeks. This time my feet swelled, and were so so re that I could not stand on them or get on my boots, and my hands swelled to twice their usual size. In fact, I was, to all appearances and belief, totally used up. About this time my parents, who reside in Maine, sent for me to come home. I went and after my arrival I commenced trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to drees myself or to raise my hand to my head, been able to drees myself or to raise my hand to my head, and suffering the most excruciating pain all the time. One day my father came in with a paper in which was advertised Dr. Coggswell's MEDICAL SALT, for Indiamnatory Diseases only, and wanted me to word and an arriver. vertised Dr. Coggswell's AEDICAL SALT, for Inflammatory Diseases only, and wanted me to read and see what I thought of it. I read and laughed at it, pronounced it a humbug, and told him that I had been humbugged enough. He kept urging me, and at last said I could but try it, and if I would write to Dr. C., giving him a description of my disease, he would may the expense. Of course I could not disease, he would pay the expense. Of course I could not refuse such an offer and sent for one box. It came in due season, but my faith was not increased, and I laughed at the idea of so small a dose doing me any good, and told my wife that I believed Dr. C. and his Salt, both humbugs. wife that I believed Dr. C. and his Sait, both humbugs.—However, I commenced using it and the result was per feetly astonishing. I could hardly realize it myself. If slept soundly all night, which I had not done for a long time, and when I awoke in the morning, strange, as it may seem, I was entirely free from pain. ## DR. M'LANE'S CELEBRATED VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of Liver Complaints, all Bilious Derangements, Sick HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure. As specifics for the above men-

tioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions. Their unprecedented popularity

has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Čelebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
