Singular Ghost Story.

Most ghost stories are only foolish and laughable; but this one is certainly melancholy in the extreme.

Within the past year the people of a village in a Western State became greatly excited by the alleged nightly appearance of a ghost in the village graveyard.

What the few saw the many believed, and the whole community soon became excited upon the subject of this strange nightly visitation to the graves of the dead.

At length the matter from being the town talk became the town dread.

The growing dread at length became insufferable, and engaged all minds.

This youth resolved to fathom this mystery of the graveyard ghost.

He found one associate, and the two after nightfall accosted themselves among the tombs to observe.

Punctually, as the hour of twelve drew nigh, the ghost which had caused so much dread, was seen approaching.
