as is a fact that, at some period, every mem the human family is subject to disease Metarbance of the bodily functions; but, Dain sommon sense, they may be able so to childs the system as to secure permanent in order to accomplish this desired the true course to pursue is certainly which will produce a natural state of The state least hazard of vital strength and For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfactiencto all who have used it. The Bitters sperate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple procoss of atrengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nansee, Flatnlency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Ritters have no equal.

Diarrhos, dysentery or finzaso generally confracted by new settlers, and caused principally by the change of water and diet, will be speedily sy the change of water and dist, will be speedily regulated by a brief use of this properation. Byspeedia, a disease which is probably more gravalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive ergans, can be cured without fall by using EOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every ysician will recommend Bitters of some kind: en why not use an article known to be infal-Mble? All nations have their Bitters, as a preventive of disease and strengthener of the syssem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE.—This trying and provok-ing disease, which fixes its relentless grasp on the body of man, reducing him to a mare shadew in a short time, and rendering him physically and mentally uscless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even exposed situations, if the Bitters are used as per directions. And as they neither create manses nor offend the palate, and render unnecessary any change of dict or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfectled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourshment is inadequate to the demands of the shild, consequently her strength must yield, and here it is where a good tonic, such as Hostotter's Stomach Bitters, is needed to impart Ledies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask ME HOSTETTER'S CELEBRATED STONACH BITTERS, and see that each bottle has the words "Dr. J. Mestatter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
