Tr is a fact that, at some period, every mem-The the human family is subject to disease er disturbance of the bodily functions; but, with the aid of a good tonic and the exercise replace common sense, they may be able so to health. In order to accomplish this desired that which will produce a natural state of things at the least hazard of vital strength and Me. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters eperate powerfully upon the stomach, bowels. and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the sys-

tem to triumph over disease. For the cure of Dyspepsis, Indigestion, Nauses, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive ergans, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a pre-. ventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE. This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BUTTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure. For Persons in Advanced Years, who are fering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourisliment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as statter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is sconainted with the virtue of the Bitters, will

recommend their use in all cases of weakness. CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bettle, and stamped on the metallic cap covering the cork, and observe that our autograph

signature is on the label. 43 Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
