HOSTETTERS STOMACH BITTERS.

Ir is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind: then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. FRUHR AND AGUE. - This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as por directions. And as they neither create nausea nor offend the palate, and render un-necessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the pro-

duction of a thorough and permanent cure. For Persons in Advanced Years, who are suffering from an enfeebled constitution and mfirm body, these Bitters are invaluable as a restorative of strength and viger, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STONACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metalliqueap covering the cork, and observe that our sutograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pag and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

PHELPS BROWN (C) FOR THE PERMANENT

CURE OF CONSUMPTION, BRONCHITIS, (ASTHMA, COUCHS, COLDS,) TOCENERAL DEBILITY, &C.)

This remedy is offered as affording a means of speedy cure for the large number that die annually in our land of that fell scourge, Consumption, to which, unfortu-nately, so many predisposing causes exist. Youth and age are alike subject to its ravages.

ean name one or more of his acquaintances who is subject to some form of lung or throat complaint, which, if not attended to in season, inevitably consigns the sufferer to a premature grave. To such, help is at hand if they will but avail themselves of it, and hope,—the harbinger of brighter days,—may be awakened without fear of chilling disappointment. Dr. O. Philips Brown's Acacian Baisan does just what is claimed for it, and may be relied upon by the sick as being the most successful in curing lung and throat disorders, of any ramedy known at the present day. The many phases assumed by Consumption justifies the apprehension of those who have reason to fear its approach, either from constitutional or hereditary tendency.

While the discoverer of this remedy does not believe that people should be constantly dosing themselves with medicines an name one or more of his acquaintances who is sub-

TO PREVENT SICKNESS, there are many cases where disease is too long allowed to remain unchecked in the system; and a slight cough, to remain unchecked in the system; and a slight cough, regarded at first as simply an annoyance, ceases only with the life of the patient. An impure state of the blood, through debilitation of the lungs, fills the system with morbid humors, and pulsation becomes feeble or accelerated to a feverish intafisity—the heart, liver, and kidneys, separately performing functions of vital necessity to our well-being, are impeded in their regular action—the digestive organs falter in their task, and refuse to perform the process of separating the nutritious elements from food, and the whole mental being is well-nigh ready to sink under the burden of life. The patient so afflicted, accounts his case a complication of disorders, and often refuses to resort to medication, from his therough disbellef in any prospect of cure. To such

WI ASK THE TRIALY of the Acadian Baisan, as thoroughly worthy the confidence of all. Every symptom of Consumption is surely and permanently eradicated by its use. Its effects are none other but strengthening and renovating to the entire system. Bronchitts, Asthma, Coughs, Colds, and General Deblity, are effectually cured by its use. Night-Sweats, Loss of Fiesh, and Wasting away of the Mussles, Loss of Appetite, Soreness of the Throat, Chest, and Lungs, Liver Complaint, Palpitation of the Heart, Difficulty of Breathing—all these affections disappear in an incredibly short time after using Dr. O. Phelps Brown's Acadian Balsam.

It novirishes and strengthens the patient who is too much reduced to partake of ordinary food. It heals all internal sores, tubercles, and infammation. It strengthens, braces, and revitalizes the brain, and is without a rival as a tonic, supplying electricity or magnetic force to every part of the enfeebled and prostrate body. It needs no lengthy trial to convince any that the ACACIAN Paraw is truly the greatest remedy of the day, as its Baisam is truly the greatest remedy of the day, as its beneficial qualities are fully apparent in eight-and-forty

hours after trial.

Let the invalid, then, no longer delay, but
make the trial, and the result will surely be of the most gratifying character.

The Acadian Balsam is prepared with the greatest care, and the best materials. No greatest care, and the best materials. No pains or expense are spared to make it what it is—the best known remedy of the age. It may be taken by either sex of all ages, and at all seasons, with perfect safely; and it is none the sex powerful in conquering those discases which sap the foundation and destroy

senting you with DR. EATON'S INFANTILE ORDIAL, we desire to state its superiority over every nostrum that nurse or quack has heretofore offered you. First. It is the preparation of a regular physician, who is well qualified from much experience in infantile complaints to prescribe for them. Secondly—It is entirely free plaints to prescribe for them. Secondly—It is entirely free from paregoric or opiate of any kind, and consequently relieves by removing the suffering of your child, instead of deadening its sensibilities. Thirdly—It is put up with great care, as a comparison of it with any other article for infantile complaints will show; the very roots from which it is distilled being dug from the forests un'er the direction of Dr. Eaton, many of them by his own hands. Fourthly—It is perfectly harmless and cannot injure the most delicate infant, and is a certain cure and relief in all the following cases, which is its chiefmerit over every other preparation. cases, which is its chiefmerit over every other preparation

For the CROUP, the most fatal and trying of all diseases, it can be relied on with perfect confidence; and being a powerful antispasmodic in all cases of convulsions or fits, we earnestly recommend you to lose no time in procuring it. Lastly—It costs so much more than other preparations of the kind that we cannot afford such long advertisements as can those whose whole expense is their advertising; for the same reason, it commends itself as the most reliable to all mothers. In all cases, the directions wrapped around each bottle must be suictly followed. Price, 25 cents per bottle.

Dr. Bronson, having been so far reduced by consumption as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—ana last resort conceived the idea of ANALYZING THE BLOOD, and applying the subject of Physiology to the more immediate connection, and effect of the state of the Blood upon the hraith and system. The result has been the production of this "BLOOD FOOD," from the use of which, Dr. Bronsen was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Headache, Palpitation of the Heart, Loss of Appetite or pain in the side, lose no time in procuring a bottle of the "BLOOD FOOD." In the most inverterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking only one bottle. In Male or Female Complaints or Weakness, the sufferer, after trying other remedies in valin, may rest assured, that a certain cure will result from the use of two or three bottles. The "BLOOD FOOD" is effectual in all cases of Eruptions, Salt Rheum, Scrofulas and other like complaints.—Pale and emaciated children and adults are immediately benefitted by its use. It gives strength to the body and color and heauty to the skin. Physicians of all schools are using it with wonderful success. For full directions, see circulars. Price \$1 per bottle. Sold by
