Tr is a fact that, at some period, every member of the human family is subject to disease er disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired shject, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the sys-

tem to triumph over disease. For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhose, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE. -This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render un-necessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and viger, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

CURE OF CONSUMPTION, BRONCHITIS, (ASTHMA, COUCHS, COLDS,) CENERAL DEBILITY, &C.)

Then remedy is offered as affording a mears of speedy cure for the large number that die annually in our land of that fell scourge, Consumption, to which, unfortu-nately, so many predisposing causes exist. Youth and age are alike subject to its ravages. CELEBA DEBROW

can name one or more of his acquaintances who is subject to some form of lung or throat complaint, which, if not attended to in season, inevitably consigns the sufferer to a premature grave. To such, help is at hand if they will but avail themselves of it, and hope,—the harbinger of brighter days,—may be awakened without fear of chilling disappointment. Dr. O. Phenre Brown's Atacan Bahaan does just what is claimed for it, and may be relied upon by the sick as being the most successful in curing lung and throat disorders, of any remedy known at the present day. The many phases assumed by Consumption justifies the apprehension of those who have reason to fear its approach, either from constitutional or hereditary tendency.

While the discoverer of this remedy does not believe that people should be constantly dosing themselves with medicines

(TO PREVENT SICKNESS,) there are many cases where disease is too long allowed to remain unchecked in the system; and a slight cough, regarded at first as simply an annoyance, ceases only with the life of the patient. An impure state of the blood, through debilitation of the lungs, fills the system with morbid humors, and pulsation becomes feeble or accelerated to a feverish intensity—the heart, liver, and kidneys, separately performing functions of vital necessity to our well-being, are impeded in their regular action—the digestive organs falter in their task, and refuse to perform the process of separating the nutritious elements from food, and the whole mental being is well-nigh ready to sink under the burden of life. The patient so afflicted, accounts his case a complication of disorders, and often refuses to resort to medication, from his thorough disbelief in any prospect of cure. To such

DR. M'LANE'S **CELEBRATED** /ERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills.

We do not recommend them s universal Cure-alls, but simply for what their name purports, viz.: THE VERMIFUGE,

For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. THE LIVER PILLS.

For the cure of LIVER COMPLAINTS, all Bilious DERANGEMENTS, Sick HEAD-ACHE, &c. In cases of FEVER AND AGUE,

preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cuic. As specifics for the above mertioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the

directions. Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS,

PITTSBURGH, PA. to dispose of their Drug busines, in which they have been success. fully engaged for the last Twenty Years, and they will now give their undivided time and attention N their manufacture. And being do termined that Dr. M'Lane's Cele brated Vermifuge and Liver shall continue to occupy the high position they now hold among the great remedies of the day, the will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
