In cases of General Debility, whither the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible... Invalids so long bed ridden as to have become forgotten in their own neighborhoods, have suddenty re-appeared in the basy world as if just returned from a protracted travel in a distant hand. Somo very signal instances of this kindare attested by Female sufferers, emaciated victims of apparant for complication of nervous and dyspeptic aversion to air and exercise, for which the physician has no name. In Nervous Afflictions of all kinds, and for reisons formiliation of nervous and dyspeptic aversion to air and exercise, for which the physician has no name. where the article is best known, who not only efficacy in all cases of stomachio derangements This is not a temporary popularity, obtained by extraordinary efforts in the reprotetrum-peting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is Hostetter's Stomach Bitters have proved a Godsend to regions where fover and ague and various other bilious complaints have

ides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of contiveness without ever being a gastric purgative, or inflicting a disagreeable sensation. It is this latter property, among others, which makes it so remarkably offectual and permanent, a remedy for Pfier, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them. In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most inclinate cases, including the attendant (buffarence, are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and giving it that tone and energy indispensable In unchecked Diarrhua, even when advanced to Dysen-
