BOLD TURT.—On Saturday last, a speedy looking chap went into the Superintendent's Office, in this place, for the purpose of soliciting a pass over the railroad. Not finding the person who could confer the favor he sought, he passed out again, but not without making his trip pay, as he took with him a coat belonging to Mr. Irons, which happened to be hanging on a nail in one of the rooms through which he passed. Mr. I missed his coat shortly after the gentleman left and soon put Constable Eli on his track. He was overhauled a short distance below town, with the coat on his arm, and brought before Esquire Cherry, who committed him to the "Look Up." He appeared a little intoxicated while in the Sup't's Office, but seemed to be very drunk when arrested. In view of his condition, Mr. I did not proceed against him, after recovering his coat.

ANSON AGAIN.—On yesterday afternoon we had the pleasure of taking by the hand our welcome friend, Mr. Jonathan Focht, Colporteur of the American Tract Society, who is now about to commence his annual canvass of Altoona, for the purpose of showing the publications of the above society. His books are all valuable, containing nothing but information which will make the reader wise and happy. They are also printed on clear type, excellent paper, and are substantially bound. Mr. F. sells his books at a lower price than can be had at any book establishment in the country, or city. We speak for him the cordial welcome and liberal patronage of our citizens, as the cause in which he labors is a good one and worthy of their hearty co-operation.

THE HOLLIDAYS.—On Tuesday morning last, in honor of the Union, and of Major Anderson, the Hero of Fort Sumpter. We understand that both the Fencibles and Junta Rifles, passed resolutions endorsing the action of Major Anderson in evacuating Fort Moultrie and taking possession of Fort Sumpter, and declaring their willingness to defend the flag of our Union.

INFANTICIDE.—On Wednesday morning last, a child, apparently three or four days old, was found in the lot in the rear of the Lutheran Church, in this place, with its throat cut from ear to ear. An inquest was held upon the body at the office of Dr. J. T. Christy, where a verdict of "murder" by some person unknown to the Jury, was rendered. A colored girl, who has been living at the Altoona House, was suspected of being the mother of the child and its murderer. She was forthwith arrested and brought before Esquire Cherry, when she confessed the crime. She was committed to jail to await her trial at the next term of Court, when it is hoped she will receive the full extent of the law and the reward due such a hellish deed.
