Proceedings of Council.

ALTOONA, MARCH 4th, 1861. Conneil met pursuant to adjournment Present, John Allison, Chief Burgess; and A. A. Smyth, R. Greenwood, J. A. Murvine, and C. R. Hostetter, Council. The minutes of last meeting were approved. A number of proposals from applicants for the respective

offices of Street Commissioner, High Constable, Attorney, and Clerk, were presented. On motion the proposals were received and acted on. The Council proceeded to the election of a Street Commissioner, by ballot, which resulted in the election of Wil-

liam W. Snyder, for one year. On motion of R. Greenwood, Resolved, That Joseph K. Ely be, and is hereby appointed High Constable for the borough, for one year.
On motion of C. R. Hostetter, Resolved, That S. M. Woodkok, Esq., be, and he is hereby appointed Attorney to the Council, for the ensuing year.

The Council then proceeded to the election of a Clerk and Treasurer, which resulted in the election of S. M. Woodkok, Clerk, and Daniel F. Laughman, Treasurer. A bill was presented, and an order granted to John Mickey for \$3.31, for lumber for use of borough. On motion, the President appointed C. R. Hostetter and M. J. Mervine, a Committee to investigate the matter of

the streets lately opened, &c. A communication was received from the "Good Will Fire Company" of Altoona, which, on motion, was laid on ha table for further consideration. On motion, Resolved, That the School Board of Altoona

be granted the privilege of holding its meetings in the On motion, the Council will hereafter hold their regular meetings on the first Monday evening of each month. On motion, adjoured to meet on the first Monday of April, 1861, at 7 o'clock, P. M .- [Extracts from Minutes.]

the city without having determined where to stop, hoping certainly to find a good place.-Upon their arrival many places offer to take them in, and it frequently happens that some RHOADS & SAILOR, Proprietors. are badly taken in, and only find the good place hoped for after sundry vexations, delays and persons visiting Philadelphia to determine before starting, to stop at the REVERE House. 3d at. above Race. This House, well known as the "Eagle Hotel," has been rechristened and refitted by Mesars. Rhoads & Sailor, whom you will always find devoted in their attention to the wants and comforts of their guests. The "Revere" is central to business. Give it a trial, and we, feel assured you will find it a pleasant house during your visit, and will thank us for the advice. For terms see card.

THROUGH STOCK TRAINS .- On Monday and Tuesday mornings last, the first stock train on each side, on the Pennsylvania Rail Road, was run through from this place to Harrisburg, without change of locomotives or men at Mifflin, as heretofore. The immense shops put up at Harrisburg are now nearly ready for the accommodation of workmen and locomotives. When they are completed, which will be in the course of a month or two, all freight trains, with the exception of the Local Freight, will be run through from this to Harrisburg without change of men or motive power.

More Cotton.—Over 1800 bales of cotton arried in Pittsburgh in one day, last week, for chipment over the Pennsylvania Rail Road to the Eastern markets. Gertainly the course pursued by the Southern or gulf States is working to the injury of their internal improvements .--The fact that so much cotton has been shipped via Northern routes, proves that the cotton growers of the South have more confidence in Northern transporters than in the men and institutors of the seceding States.

PAPER NECK-Ties. - Application has been made by a firm in New York, for a patent for paper neck-ties, printed in imitation of silk and gingham with great exactness and beauty. The Scientific American says this firm sold last season of the single style of cloth neck-ties seventeen thousand dozen. We have not seen any of the articles in this neighborhood yet, but presume they will soon be along.

Locel U. S. Senate. FRIDAY EVENING, March 1st, 1961.

The Crittenden resolutions came up as the regular order of the day, and were called up on third reading. The year and nays being called for, they were voted down. On motion of McMinn of (Min.) The resolutions relative the following Personal Property, to wit: to suffering Kansas, was referred to Committee on finance. 3 Head of Horses, 6 Milch Cows, 12 Cramer, of (R. I.) introduced the Peace Congress resolutions, which was ably discussed by Sembower, of (Penn.) Good, of (Del.) and Lehr of (Kan.) pending Mr. Lehr's remarks, the Senate adjourned.

Pusning Along.-We mean our neighbor down stairs, A. Roush. He does not boast of what can be done, nor does he by any foul means, try to get the advantage of o ther men, but by strict attention to his business, and ex. ertion to satisfy the wants of his customers, he tries to gain a share of the public patronage. The last three years have proved that he has "hit the nail on the head." He has, in that time, built up a trade which would aston-

The African Methodist Episcopal Church of this place, will be consecrated to Almghty God, on Sunday next, 10th inst., at 3 o'clock P. M. The consecration services will be conducted by Rev. At a Special Communication of Mountain Lodge, A. Y. M., No. 281, held Feb. 28d, 1861, the following paper was unanimously adopted: WHEREAS. In the inscrutable but all wise and righteous Providence of Almighty God, our young brother, Wm. S. Shoemaker, has been removed from our midst, by death, therefore, be it Resolved. That this Lodge regards the death of our beloved brother, as a sad bereavement, both to the Lodge, and to us, his "brethren of the mystic tie," individually.

Resolved, That while brother Shoemaker was among us, we had constantly presented for our admiration and imitation, an eminent example of sincerity, truthfulness, integrity, entire freedom from all guile, genial humor, bright intel-

gence and lovely moral purity. Resolved, That we tender to his berenved wife. sorrowing parents and heart-stricken sister our sincere condolence and sympathy, with the assurance that the memory of our brother shall be fondly cherished by us, and with the prayer that that God, who "tempers the wind to the shorn lamb," in his great mercy, may comfort and sustain them in their sore affliction. Resolved, That a committee be appointed to

prepare a memoir of the life of brother Shoemaker, to be placed upon the records of this Resolved, That a copy of this paper be presented to the family of the deceased, and that another copy be furnished for publication in

the Altoona Tribune. WM. R. FINDLEY, A. H. MAXWELL, Com. R. A. O. KERR.

FOR CHILDREN TEETHING. which greatly facilitates the process of teething, by softening the gums reducing all inflammation will allay pain and spasmodic action, and is sure to regulate the Bowels. Depend upon it mothers, it will give rest to yourselves, and Relief and Health to your Infants.

We have put up and sold this article for over ten years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' expe rickee, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the in-fant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is ad-

ministered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England and has been used with never-failing success in thousands It not only relieves the child from pain, but invigorates the stomach and bowels; corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowels and Wind Colic, and overcome convenience which if not will. come convulsoins, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in children, whether it arises from teething or from any other cause. whether it arises from teething or from any other cause.— We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your pre-judices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, abso-Intely sure—to follow the use of this medicine, if timely used.
