by the strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L.M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has al-ready changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dreusing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being. carea, and the thorough solution of all intestinal obstruc-tion in others. The Life Medicines have been known to cure RHEUMA-TISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints. DROPSIR'S of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL. merits of this article. A few words to the

gentler sex. There are certain periods when

their cares are so harassing that many of them

sink under the trial. The relation of mother

and child is so absorbingly tender, that the

mother, especially if she be young, is apt to

forget her own health in her extreme anxiety

for her infant. Should the period of maternity

arrive during the summer season, the wear of

body and mind is generally aggravated. Here,

then, is a necessity for a stimulant to recupe-

rate the energies of the system, and enable the

mother to bear up under her exhausting trials
