one parts almost. "This is a specimen of the colloquy year. As we can, from scrual experiment, cheerfully con-cur in the adviser's admonition as above, for we have tried the "Pectoral" in a most stubborn case, with entire suc-cose. Near two weeks ago we went to Pittsburg with one oughs we have ever experienced since our advent upon this muchano sphere. We coughed steadily and laborous-ly for one whole week, in hopes of tiring it out, but it was no go. In fact it seemed rather to improve by practice by the operation. In this state of the sign, we coughed our way to Keyser's, 140 Wood stread, we coughed and in firty-sight hours we were master of the field, the set both of the Pactoral, took it according to directions, sheary having unconditionally surrendered after a brief at users longer both so formidable an adversary as loser's Cough Pactoral.—Brownsville Clipper, Dec. 14th, DR. market, so you needn't find fault with me "Then why didn't you send it back ?" inquired.

"Well, I can't eat it, that's certain," I

said ; " so it had better be taken off of the table. I shan't throw any more money away on beefsteaks." "Oh, it will answer for hash," said my economical wife, "and you can have it for dinner."

"Hash !" I exclaimed. "If there be one thing I dislike more than another, it is hash. Hash is only fit for children and old people without teeth. Besides, it is a popular dish at boarding-schools and boarding-houses; and when I was a boy, and afterward while a bachelor, I ate my share of it, and I'm not going to eat any more. No, we will have a turkey for dinner."

"Very well," said my spouse, "a turkey.

lady. "But how will you have it cooked ?" "Oh, any way; suit yourself," I an-

swered. "Then I think I will roast it," she re

"Roast it !" I exclaimed. "That is just-There, sir, is your cup of coffce. I hope like you. Now, you know if there be one thing I dislike more than another, it is to "Good gracious !" I exclaimed, as I took have a turkey roasted."

the cup, "now you've managed to run it \_ "Very well, then," said the accommoover. You certainly must be aware that dating woman, "I will boil it." if there be one thing I dislike more than "Boil it!" I said, aghast. "Boil soup, another, it is to find slops in my saucer." boil lamb chops, boil cherries, if you like,

"Woll, if you will insist on my filling but never, for me, boil a turkey." the cup, you must expect that sometimes "Pray, then, how will you have it cook-I shall spill it over ; besides, your finding ed? Only tell me, and it shall be done. fault with me does no good, but makes "Why-why-well-fricasee it of course," me nervous, and causes my hand to trem. I answered, triumphantly. "Very well," said the lady, looking, ble, so that I only wonder there is any coffee left in the cup. But here is a clean however, as if it were not very well. saucer, in place of the one you have." Having effected this important change, sides 'very well?" I asked. "What a forsake a woman after these testimonies of tasted the contents of my cup. It was provoking woman you are, to be sure." evident to me that there was no sugar in "Not half as provoking as you are."
