## PROF. L. MILLER'S HAIR INVICATOR!

A N EFFECTIVE, SAFE AND ECO-  
NOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the hair from turning gray again.

FOR PREVENTING BALDNESS, and curing it, where there is the least particle of vitality or recuperative energy left.

FOR REMOVING SCURF AND DANDRUFF; and all cutaneous affection of the scalp.

FOR RESTORING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky in texture and elastic to the touch.

The demand and the constant demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities. It is a safe and certain remedy for baldness, Headache, Bright Eyes, High Temper, Asthma, Languor, and Melancholy, which are the general symptoms of dyspepsia. Will vanish, as a natural consequence.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and removing the accumulated mucus, will be removed in two days.

FEVERES of all kinds, by restoring the blood to a regular circulation, through the process of respiration in each case.

The hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth of those parts which have become bald, causing it to grow to a thickness, as the price paid within the reach of all, being.

ONLY 25 CENTS per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of the Invigorator, in cases where the children's Hair inclines to be weak. The use of it lessens the tendency to catch cold, and the hair becomes more elastic, which may have become connected with the scalp, the removal of which is necessary both for the health of the child and the future appearance.

CASES of baldness without the fat simile LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown in glass.

These are the principal Agents and Druggists throughout the principal Merchants and Druggists throughout the country.
