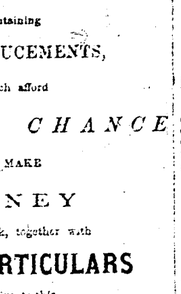
JACOB SNYDER, TAILOR,

The Hero of One Hundred Fits per Month!



I would respectfully set forth my claim to public attention, as a Fashionable Tailor, as follows:

Because I keep an excellent assortment of Cloths, Cassimeres, Vestings and Trimmings, which, when examined, always please.

Because my work is made up in a manner that takes down the country and gives all my customers a city appearance.

Because I am not inferior as a Cutter to the best to be found anywhere.

Because long experience in my business gives me entire control over it, and I am not dependant upon any one to fill me out of the side.

Because I am still on the sunny side of forty, and therefore my taste as a Cutter and workman unimpaired.

Call on me, in the corner room of the "Grant House," give me a trial and you will go away pleased.

PROF. L. MILLER'S

HAIR INVIGORATOR!!

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the hair from turning gray.

FOR PREVENTING BALDNESS, and curing it where there is the least particle of vitality to nourish the roots remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled glossy and luxuriant appearance, rendering it soft and silky in its texture and pliancy to the most unruly.

The great success this has universally demand for this unparalleled preparation, evinces the superior merit that one trial is only necessary to convince the public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from *dandruff* and *other cutaneous diseases*, causes the hair to grow luxuriantly, and gives it a rich, soft, silvery appearance, and also where the hair is worn out and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to push a *fresh crop of hair*.

There are hundreds of house and gentlemen in New York who have had their hair restored by the use of this Invigorator, which all other preparations had failed. It has in the possession letters innumerable testifying to the above facts from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a rich, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance and the great facilities it affords in dressing the hair, which when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls.—In the great demand for it by the ladies as a *standard toilet article* which it ought to be without, the two price places it within the reach of all. Being,

ONLY 25 CENTS

per bottle, to be had of all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of the Invigorator, in cases where the children's hair is falling off or turning gray. The use of it lays the foundation for a *good head of hair*, as it removes any impurities that may have become collected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of the hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper also L. MILLER'S HAIR INVIGORATOR, N. Y. blown in the glass.

Wholesale Depot, 50 Dey St., and sold by all the principal Merchants and Druggists throughout the city.

Liberal discount to purchasers by the quantity.

I also desire to present to the American Public my

LABOR-SAVING

WASHING MACHINE.

THE UNDERSIGNED HAVING purchased the right for Blair county, of

Tolhurst's Improved Washing Machine,

are now manufacturing them at Altoona, and intend to supply them to those in this and throughout the county who desire a LABOR-SAVING MACHINE.

This machine is got up on an entirely new principle, and is considered, by those who have seen it in use, the best that has ever been brought before the public.

Among the many advantages of this machine over all others may be mentioned the following:

1st. Its simplicity of construction, making it almost impossible to get out of order.

2d. Its speed, which astonishes alike the operator and the looker on.

3rd. The facility with which it adapts itself to the bulk or quantity of clothes desired to be washed.

4th. It washes quality well the finest and lightest fabric or the coarsest and heaviest, such as bed-quilts, comforts, blankets, &c.

McMINN & BERN,
Altoona, Blair County, Pa.

We the undersigned, hereby certify that we are now using Tolhurst's Improved Washing Machine and are fully satisfied that it is a very excellent article of the kind; combining as it does great speed with little labor, and performing its work in the most satisfactory manner. We therefore cheerfully recommend it to all who desire a real labor-saving washing machine.

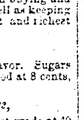
ALL THE LATEST STYLES OF HATS and CAPS constantly on hand. It is the determination of the proprietor of this Emporium to keep up with the times and fashions, and to do this he spares no expense. He has just received his supply of



SPRING AND SUMMER HATS AND CAPS,

To give the names, colors, qualities and styles of all his goods in this line, would only confuse the reader, and he would not then understand or appreciate the diversity and magnitude of his stock. It must be seen to be believed.—Go and see Jesse if you want to see a live hatter and a fashionable stock.

He has also a fine assortment of CHILDREN'S HATS and CAPS, to which he invites the attention of solicitous mothers. At his store they will find something which will excel all their neighbors in the way of fashion and beauty. Go, mothers, and examine and select from Jesse Smith's stock.

ALL THE STANDARD PATENT MEDICINES AT 1-tf. KESSLER'S.

MOFFAT'S

LIFE PILLS and PHŒNIX BITTERS.

THESE MEDICINE HAVES NOW been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the globe, for their extraordinary and immediate power of restoring to perfect health in perhaps every case of every kind of disease to which the human frame is heir.

The following are among the distressing variety of human complaints which they cure:

VEGETABLE LIFE MEDICINES

are well known to cure the following complaints:

DYSPEPSIA, by its mildly discharging the first and second stomachs into the intestines, and thereby healthy bile, instead of the vitiated and acrid kind, FLATULENCY, Loss of Appetite, Heartburn, Dysentery, Sourstomach, Ill Temper, Acidity, Languor, and Melancholy, which are the general symptoms of Dyspepsia. Will vacuate, as a natural consequence of digestion.

COSTIVENESS, by cleansing the whole length of the intestines with a gentle process, and without irritation, all which other pills do, the bowels cure within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation through the pores of the skin, and the fluids, when the thermometer is at 80, to a healthy perspiration, which is the grand secretion from the system.

DROPSIES, of all kinds, by frequently strengthening the kidneys and bladder, they operate most delightfully on those important organs, and have never been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by throwing from the intestines of the bowels the larvæ from which they are generated.

SCURVY, TETTERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect on the blood, that feed the skin, and the morbid state of which sometimes all eruptive complaints, sallow, cloudy, and other disagreeable appearances.

The use of these Pills for a very short time will effect a cure in case of SALT RHEUM, and a certain improvement in the ulcerations of the same. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these medicines was cured of Piles of 40 years standing, by the use of the Life Medicines alone.

FEVER & AGUE.—For this scourge of the Western country, these medicines will be found a safe, speedy and certain remedy. Only a few doses leave the system subject to a return of the disease, even by those accustomed to its periodical paroxysms—here they are satisfied, and be cured.

BILLIOUS FEVERS and LIVER COMPLAINTS.—General debility, loss of appetite and diseases of females—the medicines have been used with the most beneficial results in cases of the above complaints, and Scrofula in its worst forms, yields to the mild but powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervousness, Spasms of all kinds, Palpitation of the Heart, Pain and Giddiness speedily cured.

MERCURIAL DISEASES.—In all cases where constitutions have become impaired by the injudicious use of Mercury, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparation of Sarsaparilla.

GREAT IMPROVEMENT IN COOKING STOVES.

CONSUMPTION OF SMOKE AND GAS AND SAVING OF FUEL.

The subscriber takes pleasure in offering to the public NEW GAS AND SMOKE CONSUMING

Cooking Stove, recently patented, which is destined to supercede all others, as it requires

ONE-THIRD LESS FUEL

than other stoves and is more easily, quickly and regularly heated. No unpleasant smell of gas arises from this stove from the fact that it is all consumed or it can not escape. There is no trouble from smoke as that unpleasant and often annoying exhalation is also consumed inside of the stove. Neither is there any danger of flues or chimneys becoming charged with soot or the mortar loosened by the gas creating from coal fires.

HOSTETTER'S

STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blustering puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so alwaysingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the weariness of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernumerated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.
